Re: CASE 98-M-1343 – In the Matter of Retail Access Business Rules.

Dear Secretary Phillips:

On November 13, 2025, the Public Service Commission (Commission) issued an Order Adopting Modifications to the Uniform Business Practices (Order) in the above captioned proceeding.[1] That Order, among other things, directed Department of Public Service (DPS) Staff to collect information from Energy Services Companies (ESCOs) regarding the number of customers served on month-to-month contracts and report such information by March 1 of each year (Ordering Clause Number 9).

DPS Staff requires additional time to prepare and file this report. DPS Staff is still seeking responses from a number of ESCOs who thus far have failed to respond to Staff's information request. Moreover, DPS Staff requires additional time to compile the information provided and is therefore requesting an extension of the March 1, 2026 deadline until March 16, 2026. Please contact the undersigned should you have any questions.

Respectfully Submitted,

/s/
