The Services shall be as described in Schedule B of the Master Agreement; as such Schedule may be amended, modified or supplemented and attached hereto for the purposes of the Purchase Order.

The provision of the Services shall be governed by the following documentation:

- (i) The Purchase Order (exclusive of its pre-printed terms and conditions on the back thereof);
- (ii) These Terms and Conditions;
- (iii) The Scope of Services document attached to the Master Agreement as Schedule B, as it may be amended, modified or supplemented for the Purchase Order; and
- (iv) The Master Agreement, including all Schedules other than those described in subsections (i), (ii), and (iii) above.

In the event of any inconsistency among the aforementioned documentation, the order of precedence shall be as set forth in subsections (i), (ii), (iii), and (iv), above.

All work shall be invoiced in accordance with the Pricing Schedule included in Schedule D, attached hereto and made a part hereof (unless otherwise agreed to in writing by the Company).

Supplier further agrees to do the following:

- A Supplier, through its experience and the normal course of business, has included full provision for local wage rates, travel and subsistence rates, allowances and conditions, if any, as well as allowances for any other measures necessary to complete the work in a satisfactory manner in accordance with this Agreement.
- B. Supplier has read, understands and shall comply with Schedule E, hereby referred to as “Special Conditions”, attached hereto and made a part hereof.
- C. Upon execution (for purposes hereof execution means when Supplier has begun to provide Services pursuant to the Purchase Order) of a Purchase Order:
  - 1) Supplier has examined all available records pertaining to the work.
  - 2) Supplier further states that the Agreement Price and detailed schedule for completion of the work are based on Supplier’s known knowledge and judgment of the conditions and hazards involved,

and not upon a representation of the Company. The Company assumes no responsibility for any understandings or representation made by any of their representatives during or prior to execution of this Agreement unless such understandings or representations are expressly stated in this Agreement and the Agreement expressly provides that the responsibility is assumed by the Company.

## **ARTICLE 2 - CONTRACT PRICE**

The total price for the Services (made up of the costs, fees and expenses arising under Article 3 below) shall be set forth in the Purchase Order and shall be considered fixed unless stated otherwise (time and equipment, for example) on the face of the Purchase Order.

## **ARTICLE 3 - REIMBURSABLE ITEMS**

The Supplier shall be reimbursed for the following items for Services performed under this Agreement:

### **A. Fees**

Supplier shall be paid at the rates per hour specified in Schedule D to the Master Agreement for time spent in the actual performance of Services hereunder, including the preparation of reports, UNLESS a predetermined firm lump sum price has been agreed upon by both parties for all or part of the work, the criteria of which would take precedence as referenced therein. (ii) Company reserves the right to renegotiate or reject expenses when the Supplier's local office personnel are not utilized for the awarded project but meet the required job classification/criteria to complete the project and Supplier utilizes resources from other Supplier's offices.

## **B. Travel Expenses**

Company will pay or reimburse Supplier for actual cost of travel expenses incurred during the course of travel undertaken at Company's request for the performance of Services, including travel from Work Location to Work Location, not including Normal Commuting, as follows:

(ii) The Supplier will be paid or reimbursed for travel by commercial airlines in coach class and at discounted fares, if possible, except when such coach and/ or discounted airline accommodations are not reasonably available to meet necessary work requirements or would

- a) require circuitous routing;
- b) require travel during unreasonable hours;
- c) greatly increase the duration of the flight;
- d) result in additional costs which would offset the transportation savings; or
- e) offer accommodations which are not reasonably adequate for the medical needs of the traveler.

Company will pay or reimburse Supplier for such reasonable additional airline travel expenses as are necessary to avoid or overcome the problems cited in the foregoing sentence.

(iii) Company will pay or reimburse Supplier for the actual cost of necessary local transportation (cab, bus, streetcar, rental car, etc.). The Supplier agrees to furnish documentation, if requested, for any such charges in excess of \$25.00 with its invoices therefore under this Agreement.

Supplier shall permit such examination and make appropriate adjustments as may be required by the results of the audit. This provision shall remain in effect for two (2) years following final payment under this Agreement.

#### **ARTICLE 9 - RIGHTS, PRIVILEGES, REMEDIES**

All rights, privileges and remedies afforded each of the parties hereto by this Agreement shall be deemed cumulative and the exercise of any one or more of such rights or remedies shall not be deemed a waiver of any other right, privilege or remedy provided for herein or available at law or in equity.

#### **ARTICLE 10 - NON WAIVER OF RIGHTS**

Any failure by the Company to enforce or require the strict performance of the terms or conditions of this Agreement shall not constitute a waiver of such terms or conditions and shall not affect or impair such terms or conditions in any way.

#### **ARTICLE 11 - SET-OFF**

In the event Supplier owes money to the Company or has defaulted under this Agreement or under any other agreements with the Company, or Supplier has failed to pay any amount owed to the Company whether pursuant to an agreement, a statutory or regulatory fine, the imposition of statutory or regulatory damages, or otherwise (collectively, the "Obligations"), the Company

#### **ARTICLE 13 - INDEPENDENT SUPPLIER**

Supplier is and shall always remain an independent contractor in its performance of this Agreement. With the exception of staff augmentation engineering services required by Company, where Supplier's personnel work out of Company's offices under Company's direction, the provisions of this Agreement shall not be construed as authorizing or reserving to Company any right to exercise any control or direction over the operations, activities, employees or agents of Supplier in connection with this Agreement. Neither party to this Agreement shall have any authority to employ any person as agent or employee for or on behalf of the other party to this Agreement for any purpose, and neither party to this Agreement, nor any person performing any duties or engaging in any work at the request of such party, shall be deemed to be an employee or agent of the other party to this Agreement.

If Supplier shall cause any part of the work to be performed by a sub-contractor, the provisions of this Agreement shall apply to such sub-contractor and its officers, agents or employees in all aspects as if they were employees of Supplier, and Supplier shall not thereby be discharged from any of its obligations and liability hereunder, but shall be liable hereunder for all acts and omissions of the sub-contractors. Nothing shall create any contractual relationship between Company and any subcontractor or any sub-subcontractor.

The Supplier shall submit a list of those work items which it plans to subcontract and the names of Supplier's subcontractor proposed for the work. Supplier's subcontractor may not be changed except at the request of or with the written approval of the Company. Individual employees, agents and subcontractors of the Supplier who are performing services for the Indemnitee under this Agreement shall be considered to be employees, agents or subcontractors of the Supplier for all purposes under this Agreement, notwithstanding any judicial or administrative determination that such employees, agents or subcontractors of the other party should be regarded as employees under applicable law. All actions of the employees, agents and subcontractors of the Supplier under this Agreement shall be deemed to be actions of the Supplier under these indemnities and this Agreement. In furtherance of the foregoing indemnification and not by way of limitation thereof, the Supplier hereby waives any defense or immunity it might otherwise have under applicable worker's compensation laws or any other statute or judicial decision (including, for Work or services to be conducted in Maine, without limitation, *Diamond International Corp. v Sullivan & Merritt, Inc.* 493 A2d. 1043 (Me 1985)) disallowing or limiting such indemnification, and the Supplier consents to a cause of action for indemnity.

#### **ARTICLE 20 – WARRANTY**

The Supplier warrants that the Services performed under this Agreement shall be performed in accordance with any specifications set forth in a Purchase Order or elsewhere herein, and otherwise in accordance with sound and generally accepted industry practice by those who render these types of services with that degree of skill and care as required by customarily accepted professional practices and procedures, at the time such services are performed. If the Supplier's services are faulty, the Supplier shall for a period of one (1) year after completion of services, without labor charge and adders or other fee to Company, re-perform such Services to the extent necessary to correct the fault therein. This provision shall not be construed to affect or limit the liability of the Supplier to third parties, Supplier's obligation to Company pursuant to the Indemnification clause contained herein or any other remedy which may be available to Company under applicable law.

#### **ARTICLE 21 - APPROVAL/ACCEPTANCE**

All work under this Agreement shall be subject to the Company's inspection and approval before payment.

#### **ARTICLE 22 - FORCE MAJEURE**

weather shall not be deemed a cause beyond the control of Supplier for purposes of this Agreement unless the adverse weather is unusually severe, provided that the Supplier shall have used its best efforts to remedy the delaying cause or condition and recommence performance, and has furnished the Company with prompt written notice when it appears that such cause will result in non-performance or shall threaten to impair Company's ability to operate. Company shall have the right at its option and without being under any liability to Supplier to cancel by notice in writing to Supplier the portion or portions of the work so affected and to take such compensation action as may be necessary. Correspondingly, Company shall be excused for failure of performance herein due to any cause beyond its control and without its fault or negligence.

### **ARTICLE 23 - TITLE AND LIENS**

Supplier represents and warrants that it has title to all equipment or material furnished hereunder free and clear of all liens and encumbrances. Complete legal and equitable title to each item of equipment or material covered by this Agreement shall pass to the Company immediately upon delivery at job site. This provision shall apply irrespective of any terms of payment specified in this Agreement. Passage of title pursuant to this provision shall not release or waive any continuing or subsequent responsibility of Supplier under this Agreement.

Supplier shall take all action reasonably necessary to discharge, remove, or satisfy any lien filed against any property of the Company, or any portion thereof, arising from any work, labor, services, or materials claimed to have been performed or furnished for, or on behalf of, the Supplier or any person or entity by or through the Supplier. Supplier shall forthwith take such action necessary to discharge, remove, or satisfy any such lien filed against the property of the Company, including but not limited to posting of a bond. If the Supplier shall fail to discharge, remove, or satisfy any such lien within ten (10) days after notice of the existence of such lien has been provided by the Company, the Company shall have the right, but not the obligation, to pay the amount of such lien, or discharge the same by deposit or bonding, and the amount so paid or deposited, or the premium paid for such bond, with interest at the maximum allowable by law, may be set-off against any payment due Supplier under this Agreement.

### **ARTICLE 24 - PROGRESS AND COMPLETION**

It is expressly understood by the Supplier that TIME IS OF THE ESSENCE in the performance of this Agreement. The Supplier shall begin the work on the date of commencement set forth in the Agreement. The Supplier shall carry the work forward expeditiously with adequate forces and shall complete it by the time work is to be completed as stated in the Agreement.

If the Supplier is delayed at any time in the progress of the work, written notice thereof, including an explanation of the cause and the anticipated duration of the delay, shall be given promptly to the Company by the Supplier, but in no event later than five (5) days after such delay becomes apparent. Failure to give such notice promptly and within such time limit shall be deemed sufficient reason for denial by Company of an extension of time for performance and may be deemed a default.

Failure of Supplier's subcontractor or materials and equipment suppliers to meet schedules shall not be cause for an extension of time. Supplier acknowledges that it has sole responsibility for expediting the efforts of its subcontractors, suppliers, and others.

#### **ARTICLE 25 - EMERGENCIES**

The Supplier shall perform any work necessary during an emergency affecting the safety of persons and property. In all cases, Supplier shall notify the Company of the emergency as soon as practicable, but shall not wait for instructions before proceeding to properly protect both life and property. Notwithstanding the preceding sentence, it shall be the obligation of the Supplier to supply a qualified work force. Company may terminate this Agreement if Supplier fails to provide a qualified work force within twenty-four (24) hours of Company's notification to Supplier that a qualified work force has not been supplied.

#### **ARTICLE 27 - TERMINATION**

Company may for any reason, with or without cause, on written notice to Supplier terminate all or any part of the unperformed portion of this Agreement without liability to Company except as stated in this Article. In full discharge of any obligations to Supplier in respect of this Agreement and such termination, Company shall pay Supplier, in accordance with the payment terms of the Agreement, only for Services performed prior to receipt by Supplier of notice of termination; provided, however, that such payment shall not result in a total payment to the Supplier exceeding the maximum amount payable to the Supplier pursuant to this Agreement. Termination shall not relieve Supplier of any obligation which may arise out of Services performed prior to termination. In no event shall Company be liable to Supplier for lost profit or overhead in respect of Services not performed prior to termination, unabsorbed overhead or anticipated profits on uncompleted portions of this Agreement.

In the event Supplier is in default of any of its obligations under this Agreement, Company shall have the right, on ten (10) days written notice to Supplier, to terminate this Agreement for such default; provided, however, that Supplier shall have the right to cure by submitting a plan acceptable to the Company to cure the default during the ten (10) day notice period in order to avoid termination and providing that such default is, in fact, cured within thirty (30) days after Supplier first received notice of the default from Company. In the event of such termination, the preceding paragraph of this Article shall not apply and Company shall have all rights and remedies provided by law or equity and under this Agreement. In addition, in such event, Company may retain from any money otherwise due for Services rendered prior to termination an amount which Company reasonably determines is adequate to cover all damage resulting from the Supplier's default. In the event that Supplier demonstrates that a cancellation for

default is erroneous, the cancellation shall, at Company's option, be withdrawn or be deemed to have been issued as a termination for convenience pursuant to the preceding paragraph and the rights and obligations of the parties hereto shall in such event be governed accordingly. The value of Services performed not in accordance with this Agreement shall be subject to audit, assessment and approval by Company.

#### **ARTICLE 28 – TERM AND SURVIVAL**

This Agreement shall remain in effect unless otherwise terminated as provided herein, or upon receipt by Company of Supplier's Release and Certificate Form and Final Payment is made as set forth in Article 30 below. Notwithstanding the foregoing, Articles 4, 7, 9, 10, 13, 14, 17, 18, 19, 22, 31, 37, 38, 39, 47 and all other terms which contain obligations or duties which by their nature are to be or may be performed beyond any termination hereof, shall survive the termination of this Agreement without regard to the reason for termination.

#### **ARTICLE 29 - REMOVAL OF EQUIPMENT**

In the case of termination of this Agreement for any reason whatsoever, the Supplier, if notified to do so by the Company, shall promptly remove any part or all of Supplier's equipment and supplies from the property of the Company, failing which the Company shall have the right to remove such equipment and supplies at the expense of the Supplier.

#### **ARTICLE 30 - FINAL PAYMENT**

#### **ARTICLE 32 - SEVERABILITY**

If any provision of this Agreement is unenforceable under any applicable law or is held invalid, such holding shall not affect any other provision hereof, and this Agreement shall be construed as if such unenforceable or invalid provision had never been contained herein.

#### **ARTICLE 33 - NON WAIVER OF RIGHTS**

Any failure by the Company to enforce or require the strict performance of the terms or conditions of this Agreement shall not constitute a waiver of such terms or conditions and shall not affect or impair such terms or conditions in any way.

#### **ARTICLE 34 - OWNERSHIP OF PLANS**

All drawings, plans, specifications, reports, designs, design data, technical and scientific data, findings, recommendations and memoranda of every description whether furnished to or prepared by Supplier under this Agreement shall (x) be delivered to Company upon completion of the work or termination or cancellation of this Agreement, (y) be deemed to have been prepared by Supplier for Company on a work-made-for-hire basis, and (z) shall be the property of Company and may be used by Company for any purpose whatsoever without any claim on the part of Supplier for additional compensation. To the extent any of the foregoing are not deemed a work for hire by operation of law, Supplier hereby irrevocably assigns, transfers, and conveys to the Company without further consideration all of its right, title, and interest in such drawings, plans, specifications, reports, designs, design data, technical and scientific data, findings, recommendations and memoranda of every description, including all rights of patent, copyright, trade secret or other proprietary rights in such materials.
