Mohawk Solar, LLC (Mohawk Solar), a wholly owned subsidiary of Avangrid Renewables, LLC, intends to construct a major electric generating facility in the Towns of Canajoharie and Minden, Montgomery County (the Project). A procedural conference was previously scheduled for December 12, 2017, at the Canajoharie Town Hall, 12 Mitchell Street, Canajoharie, New York 13317. To protect public safety, that meeting was cancelled due to adverse weather conditions.

PLEASE TAKE NOTICE that a procedural conference will be held before Administrative Law Judges Sean Mullany, of the Department of Public Service, and Molly T. McBride, of the Department of Environmental Conservation, as follows:

Date: Tuesday, January 23, 2018

Location: Canajoharie Town Hall Meeting Room
12 Mitchell Street
Canajoharie, New York 13317

Time: 5:30 p.m.

The conference has two primary purposes. First, the Judges will ask questions, and possibly make contemporaneous

rulings, on previously filed requests for pre-application intervenor funds. Participants should be prepared to discuss their funding requests. Participants are encouraged to consider the consolidation of requests with similar funding requests of other participants. Second, at the conference the Judges will explain and initiate the stipulations process. It is expected that Mohawk Solar, entities that have submitted requests for pre-application intervenor funds, and persons or parties interested in pursuing stipulations will attend and participate in the pre-application procedural conference.
