Dear Secretary Brillling:

Enclosed for electronic filing is the December 3, 2010 Quarterly Update of the *Master Implementation Plan of Consolidated Edison Company of New York, Inc. for the Final Report – Independent Audit of Consolidated Edison Company Electric Emergency Outage Response Program for the New York State Department of Public Service* (“Implementation Plan”). This quarterly update of the Implementation Plan is filed pursuant to the Commission’s *Order Directing the Submission of an Implementation Plan*, issued January 17, 2008 in the referenced proceeding.

As of today, only Recommendation VII-R2 regarding vegetation management remains open. This item is on schedule for completion pursuant to the targets established in the Implementation Plan. A report on the evaluation of the Company’s current vegetation management program by Biocompliance Inc. is expected to be completed by the end of this year.

Very truly yours,
