**Re: Cases 18-E-0067 and 18-G-0068  
Orange and Rockland Electric and Gas Rate Cases  
Request for Further Extension of Suspension Date**

Dear Secretary Burgess:

Please be advised that Orange and Rockland Utilities, Inc. ("Orange and Rockland" or the "Company") wishes to amend the request made by letter dated July 30, 2018, for a further extension of the suspension date in the above-referenced proceedings. If an extension of the Suspension Date becomes necessary, Orange and Rockland is willing to accept a further extension of the Suspension Date through February 22, 2019, with the understanding that Staff and the parties would support establishing a "make-whole" provision covering the period January 1, 2019 through February 22, 2019. The Company understands being "made whole" to have the same meaning described in the Company's June 29, 2018, initial request for an extension of the Suspension Date.

The Company requests that, if necessary, the Commission consider the additional provisions described in the Company's July 30, 2018 letter at the appropriate time in these proceedings.

Please contact me if you have any questions regarding this matter.

Very truly yours,

*/s/ Enver Acevedo*
