Determination

We find that Gene's Paving & Sealing, Inc. did commit a violation of 16 NYCRR §753-3.1(a) (1), which affected a 1-inch plastic high-pressure natural gas service. In consideration of the nature, circumstances and gravity of the violation, we determine a penalty of \$2,500 is appropriate for this violation.

We also strongly encourage the Respondent to contact Dig Safely New York (315-437-7394) to request a training session covering the use of the one-call notification system and Part 753 requirements. The principals of the company, any employees involved in excavation work, and any support staff that might be involved in making notifications to the one-call center, would benefit from such training.

The Commission orders:

1. A penalty of \$2,500 is determined against Gene's Paving & Sealing, Inc. pursuant to §119-b(8) of the Public Service Law.

2. Gene's Paving & Sealing, Inc. is directed to remit, by certified check payable to the "Department of Public Service," the sum of \$2,500 in payment of the penalty determined. The \$2,500 sum is subject to Section 18 of the State Finance Law and shall be deposited into the underground facilities safety training account. The check shall be addressed to:

Ms. Carol Gnacik
Director of Finance and Budget
Department of Public Service
Three Empire State Plaza
16th Floor
Albany, N.Y. 12223-1350

3. If the check is not received within 30 days after issuance of this Order, Staff is authorized to refer the case to the New York State Department of Law with a request that an action to collect the determined penalty be brought in a court of competent jurisdiction.

4. The proceeding is continued, pending compliance with Ordering Clause 2, following which it should be closed.
