CASE 17-W-0049 - Complaint of Property Owners and Customers of Bristol Water Works Corporation to Conduct a Survey of Water Usage for both Commercial and Residential Customers.

RULING SETTING DUE DATE FOR RESPONSE TO STAFF REPORT

(Issued March 29, 2018)

JAMES COSTELLO, Administrative Law Judge:

By email dated March 23, 2018, Bristol Water Works Corporation (the Company) proposed that it be permitted to respond in writing to the January 2018 Department of Public Service Staff (Staff) Report by May 4, 2018, at which time the Company also would state its position on the necessity of holding a hearing to resolve this matter. The other parties to this proceeding were given until the close of business on Wednesday, March 28, to respond to the Company's proposal.

Having received no responses from the other parties, I hereby adopt the Company's proposal. By the close of business on Friday, May 4, 2018, the Company shall send its response to Staff's report to me and the other parties by email and file it on the Department of Public Service's Document and Matter Management system under Case No. 17-W-0049. Thereafter, I will establish a date for the filing of responses by the other parties and, if necessary, issue a notice setting a date for a hearing.
