Re: Matter No. Case 14-02554 – ESCO Annual Compliance Filing of Veteran Energy, LLC

Dear Secretary Burgess,

Veteran Energy, LLC (“Veteran Energy”) hereby submits for filing its annual application package. Veteran Energy is eligible to act as an ESCO but is currently not serving customers in the New York market. Therefore, Veteran Energy is unable to provide the contracting and marketing documents requested on page 3 of the ESCO Retail Access Application Form (“RAAF”). Prior to soliciting or serving any customers in New York State, Veteran Energy will provide the New York Department of State Public Service Commission with all required documents.

Veteran Energy is not currently an active member of the New York Independent System Operator (“NYISO”) and will need to complete EDI testing and certification prior to serving retail choice customers in any New York local distribution company service area.

In October 2012, Infinite Energy Holdings, Inc. acquired majority ownership of Veteran Energy, LLC. Additional subsidiaries of Infinite Energy Holdings, Inc., include, Infinite Energy, Inc. d/b/a Intelligent Energy, which is a licensed natural gas ESCO in New York. All Veteran Energy Business, Regulatory, and Marketing functions are performed by Infinite Energy employees.

Please feel free to contact me should you have any questions.

Respectfully submitted,

Brad Nelson
