Subject Fw: Con Edison

Nancy,

Here is a consumer that could not attend the PSH in Westchester, but wanted their concerns added by email. I responded to them last week after reviewing this email dated 10/11/06. They responded today requesting their comments added to case by the Westchester County office. Thanks.

After the long outages this summer, I complained to the PSC about trees near the wires in my area. Not only was nothing done...we had TWO more outages last month. The first was Labor Day weekend, but on the day AFTER the storm, so there was really no excuse. We're tired of this, and want a resolution.
