

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 07-M-0548 - Proceeding on Motion of the Commission
Regarding an Energy Efficiency Portfolio
Standard.

ERRATA NOTICE

(Issued May 10, 2013)

The Order Modifying Certain Energy Efficiency
Portfolio Standard (EEPS) Programs, issued April 25, 2013 in
this proceeding contained an error on Page 8, in the sentence
beginning on the 12th line from top. The should read: PAs are
directed to ensure that customers within the demand range of 100
kW to 110 kW be afforded the choice to participate in either an
SBDI program or a mid-sized commercial program, but not both for
the same measure.
