Mr. Gary Zahn  
NeuStar, Inc.  
1800 Sutter Street, Suite 570  
Concord, CA 94520

Dear Mr. Zahn:

Verizon has requested a waiver in the 212/646/New York City Zone 01 rate center for which it does not meet the months to exhaust. Verizon requires two thousand-number blocks in order to activate two new switching remotes as part of their ongoing storm recovery efforts.

Staff has reviewed Verizon's forecast and usage data. It appears reasonable to grant Verizon's waiver request. Therefore, we ask NeuStar, as the Pooling Administrator in New York, to assign two thousand-number blocks in the 212/646/New York City Zone 01 rate center to meet Verizon's requirements.

Sincerely,

A handwritten signature in black ink, appearing to read "Chad G. Hume".
