Re: Case 09-M-0544 - In the Matter of the Rules and Regulations of the Public Service Commission, Contained in 16 NYCRR Proposed Amendments to Chapter I, Subchapters A, C and G, Chapter II, Subchapters A and G, Chapter III, Subchapters A and G, Chapter IV, Subchapters C and G, Chapter V, Subchapters A and F, Chapter VI, Subchapters A, E and F, Chapter VII, Subchapters C and D, and Chapter VIII, Subchapter B

Dear Secretary Brillig:

In response to the New York State Public Service Commission's ("Commission") Notice of Proposed Rulemaking, issued on November 30, 2010 in the above-referenced matter, tw telecom of new york l.p. ("tw telecom"), through its undersigned counsel, hereby submits this letter in support of the proposed amendments to the Commission's rules and regulations, which would provide for electronic filing and service as the preferred method, but allow hard copy filing and service in specified instances.

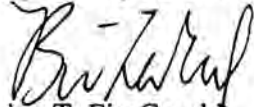

tw telecom applauds the Commission's move toward electronic filing and service. The proposed amendments reflect the realities of today's electronic world. Moreover, electronic filing and service promotes efficiency and flexibility. In addition, the new rules should result in reduced costs, and preserve the environment by reducing the number of copies of documents that need to be made. Accordingly, tw telecom fully supports the proposed amendments.
