RE: Case 12-F-0410 - Application of Cape Vincent Wind Power, LLC, for a Certificate of Environmental Compatibility and Public Need to Construct an Approximately 200-285 Megawatt Wind Electric Generating Facility in the Town of Cape Vincent, New York.

Dear Governor Cuomo:

This is to inform you that Cape Vincent Wind Power, LLC (CVWP) has submitted a Preliminary Scoping Statement to the New York State Board on Electric Generation Siting and the Environment (Siting Board) regarding CVWP's proposal to construct and operate a 200-285 megawatt wind energy facility in the Towns of Cape Vincent and Lyme and the Village of Chaumont, Jefferson County. That filing triggers the need to appoint ad hoc public members to the Siting Board to participate in the review of the proposed facility.

Pursuant to Article 10 of the Public Service Law, the President Pro Tem and the Speaker of the Assembly should be receiving nominations of four candidates each for ad hoc public members from the County of Jefferson, Town of Cape Vincent, Town of Lyme and Village of Chaumont. They will have 30 days from receipt of the list of nominated candidates to appoint one ad hoc member each from the list of candidates. If they do not make an appointment within 30 days, you as Governor have the

authority to appoint the ad hoc members from the list of nominated candidates. If an ad hoc member has not been appointed within 45 days, a majority of persons named to the Siting Board shall constitute a quorum.

If the President Pro Tem and the Speaker of the Assembly do not make their appointments, I would appreciate it if you would inform me of whom you have appointed to serve from the list of candidates as soon as you have made your decision.

Please contact me if I can be of any further assistance.

Sincerely,
