Re: Utility Storm Response Review

Dear Secretary Brillig:

In connection with the above-referenced matter, attached please find the Long Island Power Authority's ("LIPA") report related to Tropical Storm Irene. This report is being filed pursuant to LIPA's Memorandum of Understanding ("MOU") with the Department of Public Service ("DPS") which provides for a review of LIPA's storm response in conjunction with DPS's broader review of utility storm response in the State.

I note that LIPA submitted a copy of its storm report to Peter McGowan and Michael Worden on Friday, November 18, 2011, as required under the MOU.

Please let me know if there is any additional information needed or desired in connection with DPS's review of LIPA's report.

Very truly yours,
