Re: 16-F-0267 - Application of Atlantic Wind LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 for Construction of a Wind Energy Project in Lewis and Jefferson Counties.

Dear County Manager Swearingin:

This letter is sent to correct an error in the possible filing date of the Preliminary Scoping Statement (PSS) with the Siting Board in this matter.

In my letter dated October 18, 2016, you were notified of your responsibility to nominate four candidates to be considered as the ad hoc public members. Nominations are to be made within fifteen days after an applicant has filed a PSS with the Siting Board. An applicant must wait a minimum of 150 days after filing its Public Involvement Plan before it may submit a PSS.

In this case, the earliest date Atlantic Wind LLC may file a PSS was October 6, 2016, not January 29, 2017 as noted in my October 18, 2016 letter.

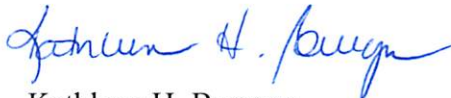

Should you have any questions regarding this letter please contact Assistant General Counsel, Andrea Cerbin at [andrea.cerbin@dps.ny.gov](mailto:andrea.cerbin@dps.ny.gov).
