Re: Case No. 16-F-0267: Application of Atlantic Wind LLC, for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 to Construct a Major Electric Generating Facility in the Towns of Pinckney, Harrisburg and Montague, County of Lewis, and Town of Rodman, County of Jefferson, New York

Dear Secretary Burgess:

As a follow-up to our correspondence and filing of Atlantic Wind's PSS Comment Response on July 7, 2017, the version filed and circulated on Friday inadvertently did not include 15 pages of the responses to comments. This was a clerical oversight in the version that was compiled and filed on Friday. Out of an abundance of caution, enclosed for filing is the complete response document. We will circulate electronically to the parties as well as serve per the requirements of the regulations.

Please do not hesitate to call me with any questions.

Respectfully submitted,

James A. Muscato II, Esq.
