- C.(i) Grantee agrees that it will not move, damage, penetrate, replace or interrupt any portion of the Cable Television System of another franchisee without the prior written consent of such other franchisee. Grantee shall indemnify such other franchisee against any damages or expenses incurred by such other franchisee as a result of any removal, damage, penetration, replacement or interruption of the services of such other franchisee caused by the Grantee.
- (ii) In the event Grantor grants to any other Person (being referred to as "Other Person" in the below quoted paragraph) a franchise, consent or other right to occupy or use the Streets, or any part thereof, for the construction, operation or maintenance of all or part of a cable television system or any similar system or technology, the Grantor shall include the following language or language to similar effect into any such franchise, consent or other

document and/or promptly pass a resolution, conditioning the use of the Streets or any part thereof by any such Person, as follows:

“Other Person agrees that it will not move, damage, penetrate, replace or interrupt any portion of the Cable Television System of another franchisee without the prior written consent of such other franchisee. Other Person shall indemnify such other franchisee against any damages or expenses incurred by such other franchisee as a result of any removal, damage, penetration, replacement or interruption of the services of such other franchisee caused by the Other Person.”

- D. Notwithstanding any other provision in this Franchise: In the event any change to state or federal law occurring during the term of this Franchise eliminates the requirement for any person desiring to construct, operate or maintain a cable system in the Franchise Area to obtain a franchise from the Grantor for the construction, operation or maintenance of a cable system, then, Grantee shall have the right to terminate this Franchise and operate the system under the terms and conditions established in applicable law. If Grantee chooses to terminate this Franchise pursuant to this provision, this Franchise shall be deemed to have expired by its terms on the effective date of any such change in law, whether or not such law allows existing franchise agreements to continue until the date of expiration provided in any existing franchise. Grantee shall not abandon cable service in any portion of the Franchise Area without Grantor’s consent and shall remain subject to all applicable laws and regulations with respect to abandonment of service including those of the NYPSC. Furthermore, in the event any change to state or federal law occurring during the term of this Franchise materially alters the regime of cable franchising applicable to any persons desiring to construct, operate or maintain a cable system in the Franchise Area in a way that reduces the regulatory or economic burdens for such person, then, at Grantee’s request, Grantor shall agree with Grantee to amend this Franchise to similarly reduce the regulatory or economic burdens on Grantee. It is the intent of this section that, at Grantee’s election, Grantee shall be subject to no more burdensome regulation or provided lesser benefits under this Franchise than any other persons that might construct, operate or maintain a cable system in the Franchise Area. To the extent any acts pursuant to this section, including Grantee’s choice to terminate this Franchise, result in an amendment to the Franchise, any such amendment shall be subject to such approval by the NYPSC as required by law and regulation.

- 3.9 Continuing Administration. The Mayor is responsible for the continuing administration of the Franchise.

SECTION 4. TECHNICAL STANDARDS.

- 4.1 Technical Standards. The Cable System shall be designed, constructed, and operated so as to meet the technical standards promulgated by the FCC relating to Cable

The Grantor shall indemnify, save and hold Grantee harmless from and against any liability resulting from the Grantor's use of the PEG Channels for municipal access.

SECTION 6. CONSTRUCTION PROVISIONS.

- 6.1 Construction Standards.
- A. Grantee shall construct and maintain its cable system using materials of good and durable quality. All work involved in the construction, installation, maintenance, and repair of the cable system shall be performed in a safe, thorough, and reliable manner.

- E. Grantee shall at all times employ reasonable care and shall install and maintain in use commonly accepted methods and devices preventing failures and accidents which are likely to cause damage, injury or nuisance to the public.

6.2 Construction Codes.

- A. Grantee shall adhere to all building and zoning codes currently or hereafter applicable to construction in the Franchise Area.

6.3 Repair of Streets and Property.

- A. Any and all Streets, municipal property, or private property, which are destroyed or damaged by Grantee during the construction, repair, replacement, relocation, operation, maintenance or reconstruction of the Cable System shall be promptly replaced or repaired by Grantee, at its expense, and restored to a serviceable condition as good as that prevailing prior to Grantee's disturbance of, or damage to, the property. If Grantee fails to repair, replace, or otherwise correct a Street or property following reasonable written notice by the Grantor, the Grantor may complete any repair, replacement, restoration or other correction and invoice Grantee for the same.

6.4 Use of Existing Poles.

- A. Poles may be erected by Grantee subject to any generally applicable regulation by Grantor with regard to location, height, type, and any other pertinent aspect. It is the responsibility of Grantee to secure agreements for use of poles or conduits owned by third parties.
- B. Where poles already existing for use in serving the Franchise Area are available for use by Grantee, but it does not make arrangements for such use, the Grantor may require Grantee to use such poles if it determines that the public convenience would be enhanced thereby, and if the Grantee can obtain such use on reasonable terms and conditions and at less cost to Grantee than erecting its own poles. No term or condition shall be reasonable if not consistent with pole attachments rates and conditions established by the FCC and/or NYPSC.

6.5 Undergrounding of Cable.

- A. Cable shall be installed underground where the existing telephone and electrical utilities are already underground. In the event the Grantor reimburses any utility for undergrounding, Grantee shall be similarly reimbursed.

6.6 Reservation of Street Rights.

- A. Nothing in this Agreement shall be construed to prevent the Grantor from constructing, maintaining, repairing or relocating sewers; grading, paving, maintaining, repairing, relocating and/or altering any Street; constructing, laying down, repairing, maintaining or relocating any water mains; or constructing, maintaining, relocating, or repairing any sidewalk or other public work.
- B. All such work shall be done, insofar as practicable in such a manner as not to obstruct, injure or prevent the free use and operation of the poles, wires, conduits, conductors, pipes or appurtenances of Grantee.
- C. If any such property of Grantee shall interfere with the construction or relocation, maintenance or repair of any Street or public improvement, whether it be construction, repair, maintenance, removal or relocation of a sewer, public sidewalk, or water main, Street or any other public improvement, at least thirty (30) days written notice shall be given to Grantee by the Grantor and all such poles, wires, conduits or other appliances and facilities shall be removed or replaced by Grantee in such manner as shall be directed by the Grantor so that the same shall not interfere with the said public work of the Grantor, as reasonably determined by the Grantor and such removal or replacement shall be at the expense of Grantee, provided, however, if any other right-of-way user is compensated for such work by the Grantor, then Grantee shall be similarly compensated.
- D. Nothing contained in this Agreement shall relieve any Person from liability arising out of the failure to exercise reasonable care to avoid damaging Grantee's facilities while performing any work connected with grading, re-grading, or changing the line of any Street or public place or with the construction or reconstruction of any sewer or water system or with any other work.

6.7 Trimming of Trees. Grantee shall have the authority to trim trees, in accordance with all generally applicable utility restrictions, ordinance and easement restrictions, upon and hanging over Streets, alleys, sidewalks, and public places of the Grantor so as to prevent the branches of such trees from interfering with the Cable System.

6.8 System Abandonment.

Grantee may not abandon cable service in any portion of the Franchise Area without the consent of Grantor.

6.9 Movement of Facilities. In the event it is necessary temporarily to move or remove any of Grantee's wires, cables, poles, or other facilities placed pursuant to this Agreement, in order to lawfully move a large object, vehicle, building or other structure over the Streets of the Franchise Area, upon two (2) weeks written notice by the Grantor to Grantee,

Grantee shall move, such of its facilities as may be required to facilitate such movements. The Person requesting the temporary removal shall pay Grantee in advance the costs Grantee incurs in moving its facilities. Any service disruption provisions of this Agreement shall not apply in the event that the removal of Grantee's wires, cables, poles or other facilities pursuant to this Section results in temporary service disruptions.

SECTION 7. REPORTING PROVISIONS.

- 7.1 Audit and Inspection. The Grantor, its agents and its representatives shall have the authority, during normal business hours, to arrange for and conduct an inspection of the books, records, maps, plans, financial statements and other like materials of Grantee where such inspection is necessary to ascertain Grantee's compliance with the material terms of this Franchise. Grantee will be given thirty (30) business days advance written notice of such an inspection request and a description, to the best of the Grantor's ability, of the materials it wants to inspect.
- 7.2 Communications with Regulatory Agencies. Copies of all publicly available petitions, applications, communications and reports submitted by Grantee, to any federal or state regulatory commission or agency relating to the Cable System operated pursuant to this Franchise shall also be made available to the Grantor upon request. Copies of publicly available responses from the regulatory agencies to Grantee shall likewise be made available to the Grantor upon request.
- 7.3 Confidentiality. Grantor shall maintain as confidential any information provided to it by Grantee under the terms of this Franchise which Grantee has designated as confidential. In the event that Grantor believes at any time that it is required by law to disclose such information to a third party, Grantor will so notify Grantee at a time prior to any such disclosure that affords Grantee a reasonable opportunity to take such action as it deems necessary to prevent such disclosure, including seeking relief in court.
- 7.4 Reporting. Any report required by this Franchise may be satisfied with system-wide statistics, except for reporting requirements related to franchise fees and customer complaints.

SECTION 8. CONSUMER PROTECTION PROVISIONS.

- 8.1 Rate Regulation. Grantee's rate and charges for cable service shall be subject to regulation in accordance with Federal law.
- 8.2 Customer Service.
 - A. Grantee shall comply with the cable customer service and consumer protection standards of the FCC and NYPS.

- B. Any bill, notice or other communication provided or issued by Grantee to any Subscriber may be provided or issued, if such Subscriber so consents, solely by electronic means.

SECTION 9. FRANCHISE FEES.

- A. Grantee shall pay to the Grantor a franchise fee in an amount equal to five percent (5%) of Grantee's Gross Revenues.
- B. Payments due the Grantor under this provision shall be computed at the end of each calendar year. Payments shall be due and payable for each year not later than February 15 of the following year. Each payment shall be accompanied by a brief report of Grantee's Gross Revenues for the preceding year.
- C. No acceptance of any payment shall be construed as an accord that the amount paid is in fact the correct amount, nor shall such acceptance of payment be construed as a release of any claim the Grantor may have for further or additional sums payable under the provisions of this Agreement. All amounts paid shall be subject to audit and recomputation by the Grantor.
- D. No auditor engaged by the Grantor shall be compensated on a success based formula, e.g., payment based on a percentage of an underpayment, if any.
- E. Grantor shall not conduct an audit more frequently than once every three (3) years and may not audit any period earlier than six (6) years prior to the time the audit is conducted.
- F. The amount of franchise fee and the method of calculation shall be competitively neutral when compared to the amount or method of calculation of the franchise fee in any other cable franchise granted by Grantor.
- G. If Grantee charges a combined or "bundled" rate for a package of services which includes Cable Services subject to the franchise fee and other services which are not subject to the franchise fee, the franchise fee shall be imposed on the portion of the bundled charge applicable to the cable services subject to the franchise fee as reflected in the books and records of Grantee, subject to any applicable laws and regulations.

10. INDEMNITY AND INSURANCE.

10.1 Indemnity

- A. Grantee shall indemnify, defend, and hold harmless the Grantor for all damages and penalties incurred by Grantor as a result of Grantee's conduct or performance under this

Agreement or exercise of the Franchise. These damages and penalties shall include, but shall not be limited to, damages arising out of personal injury, property damage, copyright infringement, defamation, antitrust, errors and omission, theft, fire, and all other damages arising out of Grantee's exercise of the Franchise, whether or not any act or omission complained of is authorized, allowed or prohibited by this Agreement; such indemnification shall include, but not be limited to, reasonable attorney's fees and costs.

Grantee's obligations hereunder shall not extend to any claim or loss to the extent arising from the Grantor's negligence; misconduct; the content of programming carried on any channel set aside for public educational or governmental use, or channels leased pursuant to 47 U.S.C. §532; and, the Grantor's use of Grantee's emergency alert system ("EAS") capability.

- B. In order for the Grantor to assert its rights to be indemnified and held harmless, the Grantor must:
- (1) promptly notify Grantee of any claim or legal proceeding which gives rise to such right;
 - (2) afford Grantee the opportunity to participate in and fully control any compromise, settlement, resolution or disposition of such claim or proceeding; and
 - (3) fully cooperate in the defense of such claim and make available to Grantee all such information under its control relating thereto.

10.2 Liability Insurance.

- A. Grantee shall maintain, throughout the term of the Franchise, liability insurance with a company licensed to do business in the State of New York with a rating by Best of not less than "A-," insuring Grantee and the Grantor (wherein the Grantor is named as additional insured) with respect to Grantee's activities in the Franchise Area in the minimum amounts of:
1. One Million Dollars (\$1,000,000.00) for bodily injury or death to any one (1) person;
 2. Three Million Dollars (\$3,000,000.00) for bodily injury or death resulting from any one (1) accident or occurrence;
 3. One Million Dollars (\$1,000,000.00) for all other types of liability.
 4. Five Million Dollars (\$5,000,000.00) excess liability or umbrella coverage.
- B. Grantee shall maintain in force, during the term of this Agreement and any renewal thereof, Workers' Compensation Insurance, covering its obligations under the Workers' Compensation statute.
- C. Upon request, Grantee shall furnish to the Grantor a certificate evidencing that a satisfactory insurance policy has been obtained. Such insurance policy shall require that the Grantor be notified thirty (30) days prior to any expiration or cancellation.

SECTION 11. REVOCATION AND REMOVAL

11.1. Right to Revoke.

- A. In addition to all other rights which the Grantor has pursuant to law or equity, the Grantor reserves the right to revoke, terminate or cancel this Agreement and the Franchise and all rights and privileges pertaining thereto, after following the procedures outlined herein, in the event that Grantee substantially violates any material provision of this Agreement and fails to remedy such violation as required.
- B. Whenever the Grantor finds that Grantee has allegedly violated one or more material terms, conditions or provisions of this Franchise, a written notice shall be given to Grantee. The written notice shall describe in reasonable detail the alleged violation so as to afford the Grantee an opportunity to investigate and/or remedy the alleged violation. Grantee shall have sixty (60) days subsequent to receipt of the notice in which to correct the violation. Grantee may, within thirty (30) days of receipt of notice, notify the Grantor that there is a dispute as to whether a violation or failure has, in fact, occurred. Such notice by Grantee shall specify with particularity the matters disputed by Grantee and stay the running of the above-described time.
- C. Grantor shall hear Grantee's dispute at a regularly scheduled or specially scheduled Council meeting of which Grantee has been given at least two weeks notice. Grantee shall have the right to subpoena and examine witnesses and cross-examine any other witnesses. The Grantor shall determine if Grantee has committed a violation and shall make written findings of fact relative to its determination and provide such findings to Grantee. If a violation is found, Grantee may petition for reconsideration.
- D. If after hearing the dispute, the claim of non-compliance is upheld by the Grantor, then Grantee shall have sixty (60) days from the date of receipt of Grantor's written decision within which to remedy the violation.
- E. The time for Grantee to correct any alleged violation shall be extended by the Grantor if the necessary action to correct the alleged violation is of such a nature or character as to require more than sixty (60) days within which to perform, provided Grantee commences corrective action and thereafter exercises due diligence to correct the violation.
- F. In the event that Grantee fails to remedy the violation within the time frame set herein, Grantor may revoke the Franchise by vote of its governing body after a public hearing of

which Grantee has been given at least two weeks notice and at which Grantee shall have the right to be heard; to subpoena and examine witnesses; and cross-examine any other witnesses. Grantor shall state in writing the basis for any decision to revoke the Franchise. Any revocation hereunder is subject to appeal by Grantee in a court of competent jurisdiction.

11.2. Removal After Revocation or Termination.

- A. At the termination of the Franchise Term if renewal has been finally denied in accordance with Federal law, or upon revocation of the Franchise, as provided for herein, the Grantor shall have the right to require Grantee to remove, at Grantee's expense, all or any portion of the Cable System from Streets and Public Property within the Franchise Area. In so removing the Cable System, Grantee shall refill and compact at its own expense any excavation that shall be made and shall leave all Streets, Public Property and private property in as good a condition as that prevailing prior to Grantee's removal of the Cable System, and without affecting, altering or disturbing in anyway electric, telephone or utility, cables wires or attachments. The Grantor, or its delegate, shall have the right to inspect and approve the condition of such Streets and Public Property after removal. The insurance and indemnity provisions of this Agreement shall remain in full force and effect during the entire term of removal.

SECTION 12. TRANSFER

12.1 Sale or Transfer of Franchise.

- A. Grantee shall provide at least sixty days notice to Grantor in the event the Franchise is to be sold, assigned or otherwise transferred.
- B. Within thirty (30) days of the consummation of any Franchise Transfer subject to the provisions of this Section, Grantee shall notify the Grantor of the closing of such Franchise Transfer.

SECTION 13. RIGHTS OF INDIVIDUALS PROTECTED.

13.1 Discriminatory Practices Prohibited.

- B. Grantee will not refuse to hire or employ, nor bar or discharge from employment, nor discriminate against any person in compensation or in terms, conditions or privileges of employment on the basis of age, race, creed, color, national origin or sex.

SECTION 14. MISCELLANEOUS PROVISIONS.

- 14.1 Compliance with Laws. Grantor and Grantee shall conform to all applicable state and federal laws and rules regarding cable television as they become effective. Grantee shall also conform with all generally applicable Grantor ordinances, resolutions, rules and regulations heretofore or hereafter adopted or established during the entire term of the Franchise. In the event of a conflict between Grantor ordinances, resolutions, rules or regulations and the provisions of this Agreement, the provisions of this Agreement shall govern.
- 14.2 Severability. If any provision of this Agreement is held to be invalid or unenforceable, that provision will be ineffective but the remainder of this Agreement will not be affected, and it will in all other respects, continue to be effective and enforceable. If the holding of invalidity or unenforceability is subsequently repealed, unenforceable or otherwise changed so that the provision which had been held invalid is no longer in conflict with the law, rules and regulations then in effect, the provision will return to full force and effect.
- 14.3 Controlling Law. This Agreement shall be construed and enforced in accordance with the laws of the State of New York.
- 14.4 No Third Party Beneficiaries. This Agreement is not intended to, and does not create any rights or benefits on behalf of any person other than the parties to this Agreement.
- 14.5 Captions. The paragraph captions and headings in this Agreement are for convenience and reference purpose only and shall not affect in any way the meaning of interpretation of this Agreement.
- 14.6 Calculation of Time. Where the performance or doing of any act, duty, matter, payment or thing is required hereunder and the period of time or duration for the performance or during thereof is prescribed and fixed herein, the time shall be computed so as to exclude the first and include the last day of the prescribed or fixed period, or duration of time. When the last day of the period falls on Saturday, Sunday or a legal holiday, that day shall be omitted from the computation.
- 14.7 Amendments. This Agreement may be amended only by the mutual consent of the Grantor and Grantee and in accordance with the regulations of the NYPSC. Any amendment must be in writing and executed by the Grantor and Grantee.

14.8 Force Majeure. In no event, and notwithstanding any contrary provision in this Franchise, shall this Franchise be subject to revocation or termination, or Grantor or Grantee be subject to penalty or prejudice or in any way liable for non-compliance with or delay in the performance of any obligations hereunder, where its failure to cure or take reasonable steps to cure is due to reason of Acts of God; acts of public enemies; order of any kind of a government of the United States of America or of the State or any of their departments, agencies, political subdivisions; riots; strikes; failure of suppliers; epidemics; landslides; lightning; earthquakes; fires; hurricanes; tornadoes; volcanic activity; storms; floods; washouts; droughts; civil disturbances; explosions; partial or entire failure of utilities or any other cause or event not reasonably within the control of the party. Neither Grantor nor Grantee shall be deemed to be in violation or default during the continuance of such inability and such party shall be excused from its obligations herein during the course of any such events or conditions and the time specified for performance of the obligations hereunder shall automatically extended for a period of time equal to the period of the existence of any such events or conditions and such reasonable time thereafter as shall have been necessitated by any such events or conditions.
