12.1 <u>Inspection of Records</u>. Grantee shall permit any duly authorized representative of the Grantor, upon receipt of advance written notice, to examine during normal business hours and on a non-disruptive basis any and all of Grantee's records pertaining to Grantee's provision of Cable Service in the Franchise Area maintained by Grantee as is reasonably necessary to ensure Grantee's compliance with the material terms of the Franchise. Such notice shall specifically reference the subsection of the Franchise that is under review so that the Grantee may organize the

necessary books and records for easy access by the Grantor. The Grantee shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years. The Grantee shall not be required to provide Subscriber information in violation of Section 631 of the Cable Act. The Grantor agrees to treat as confidential any books, records or maps that constitute proprietary or confidential information to the extent Grantee make the Grantor aware of such confidentiality. If the Grantor believes it must release any such confidential books or records in the course of enforcing this Franchise, or for any other reason, it shall advise Grantee in advance so that Grantee may take appropriate steps to protect its interests. Until otherwise ordered by a court or agency of competent jurisdiction, the Grantor agrees that, to the extent permitted by State and federal law, it shall deny access to any of Grantee's books and records marked confidential, as set forth above, to any Person.

SECTION 13 Public Education and Government (PEG) Access

13.1 <u>PEG Access</u>. Grantee shall make available channel capacity for non-commercial, video programming for public, educational and governmental ("PEG") access use in accordance with Section 895.4 of the NYPSC regulations and will comply with the minimum standards set forth therein. Such PEG channel capacity may be shared with other localities served by Grantee's cable system, and Grantor hereby authorizes Grantee to transmit PEG access programming authorized herein to such other localities. The tier of service on which such PEG channel(s) may be placed shall be determined by Grantee in accordance with applicable law.

SECTION 14 Enforcement or Revocation

- 14.1 <u>Notice of Violation</u>. If the Grantor believes that the Grantee has not complied with the terms of the Franchise, the Grantor shall first informally discuss the matter with Grantee. If these discussions do not lead to resolution of the problem, the Grantor shall notify the Grantee in writing of the exact nature of the alleged noncompliance (the "Violation Notice").
- 14.2 <u>Grantee's Right to Cure or Respond</u>. The Grantee shall have thirty (30) days from receipt of the Violation Notice to (i) respond to the Grantor, contesting the assertion of noncompliance, or (ii) to cure such default, or (iii) if, by the nature of default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the Grantor of the steps being taken and the projected date that they will be completed.
- **Public Hearing.** If the Grantee fails to respond to the Violation Notice received from the Grantor, or if the default is not remedied within the cure period set forth above, the Board shall schedule a public hearing if it intends to continue its investigation into the default. The Grantor shall provide the Grantee at least twenty (20) days prior written notice of such hearing, which specifies the time, place and purpose of such hearing, notice of which shall be published by the Clerk of the Grantor in a newspaper of general circulation within the Grantor in accordance with subsection 15.8 hereof. At the hearing, the Board shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which it shall determine

whether or not the Franchise shall be revoked. The public hearing shall be on the record and a written transcript shall be made available to the Grantee within ten (10) business days. The decision of the Board shall be made in writing and shall be delivered to the Grantee. The Grantee may appeal such determination to an appropriate court, which shall have the power to review the decision of the Board *de novo*. The Grantee may continue to operate the Cable System until all legal appeals procedures have been exhausted.

- **14.4** Enforcement. Subject to applicable federal and State law, in the event the Grantor, after the hearing set forth in subsection 14.3 above, determines that the Grantee is in default of any provision of the Franchise, the Grantor may:
 - A. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or
 - B. Commence an action at law for monetary damages or seek other equitable relief; or
 - C. In the case of a substantial default of a material provision of the Franchise, seek to revoke the Franchise itself in accordance with subsection 14.5 below.

14.5 Revocation.

- A. Prior to revocation or termination of the Franchise, the Grantor shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee, including one or more instances of substantial noncompliance with a material provision of the Franchise. The notice shall set forth the exact nature of the noncompliance. The Grantee shall have sixty (60) days from such notice to either object in writing and to state its reasons for such objection and provide any explanation or to cure the alleged noncompliance. If the Grantor has not received a satisfactory response from Grantee, it may then seek to revoke the Franchise at a public hearing. The Grantee shall be given at least thirty (30) days prior written notice of such public hearing, specifying the time and place of such hearing and stating its intent to revoke the Franchise. The public hearing shall be conducted in accordance with the requirements of Section 14.3 above.
- B. Notwithstanding the above provisions, the Grantee reserves all of its rights under federal law or regulation.
- C. Upon revocation of the Franchise, Grantee may remove the Cable System from the Streets of the Grantor, or abandon the Cable System in place.

SECTION 15 Miscellaneous Provisions

15.1 <u>Compliance with Laws</u>. Grantor and Grantee shall conform to all applicable state and federal laws and rules regarding cable television as they become effective. Grantee shall also conform with all generally applicable Grantor ordinances, resolutions, rules and regulations heretofore or hereafter adopted or established during the entire term of the Franchise. In the event

of a conflict between Grantor ordinances, resolutions, rules or regulations and the provisions of this Franchise, the provisions of this Franchise shall govern.

- 15.1.1 <u>Employment Practices</u>. Grantee will not refuse to hire, nor will it bar or discharge from employment, nor discriminate against any person in compensation or in terms, conditions, or privileges of employment because of age, race, creed, color, national origin, or sex.
- 15.2 <u>Force Majeure</u>. The Grantee shall not be held in default under, or in noncompliance with the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of the Grantee to anticipate and control. This provision includes, but is not limited to, severe or unusual weather conditions, fire, flood, or other acts of God, strikes, work delays caused by failure of utility providers to service, maintain or monitor their utility poles to which Grantee's Cable System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.
- 15.3 <u>Minor Violations</u>. Furthermore, the parties hereby agree that it is not the Grantor's intention to subject the Grantee to forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Franchise Area, or where strict performance would result in practical difficulties or hardship to the Grantee which outweighs the benefit to be derived by the Grantor and/or Subscribers.
- 15.4 <u>Action of Parties</u>. In any action by the Grantor or the Grantee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.
- Equal Protection. If any other provider of cable services or video services (without regard to the technology used to deliver such services) is lawfully authorized by the Grantor or by any other State or federal governmental entity to provide such services using facilities located wholly or partly in the public rights-of-way of the Grantor, the Grantor shall ensure that the terms applicable to such other provider are no more favorable or less burdensome than those applicable to Grantee. If the authorization applicable to such other provider contains franchise fee, PEG, free service, right-of-way, or other terms imposing monetary or regulatory burdens that are more costly or less burdensome than the corresponding obligations imposed upon Grantee, Grantor shall, within thirty (30) days of a written request from Grantee, modify this Franchise to insure that the corresponding obligations applicable to Grantee are no more costly or burdensome than those imposed on the new competing provider. If the Grantor fails to make modifications consistent with this requirement, Grantee agrees not to enforce such corresponding obligations in this Franchise beyond the requirements imposed by the less costly or less burdensome obligations in such competing provider's authorization. As an alternative to the equal protection procedures set forth herein, the Grantee shall have the right and may choose to have this Franchise with the Grantor be deemed expired thirty (30) days after written notice to the Grantor. Nothing in this Franchise shall impair the right of the Grantee to terminate this Franchise and, at Grantee's option, negotiate a renewal or replacement franchise, license, consent, certificate or other authorization with any appropriate government entity. Nothing in this Section 15.5 shall be deemed a waiver of

any remedies available to Grantee under federal, state or municipal law, including but not limited to Section 625 of the Cable Act, 47 U.S.C. § 545.

15.6 <u>Change in Law.</u> Notwithstanding any other provision in this Franchise, in the event any change to state or federal law occurring during the term of this Franchise eliminates the requirement for any person desiring to provide video service or Cable Service in the Franchise Area to obtain a franchise from the Grantor, then Grantee shall have the right to terminate this Franchise and operate the system under the terms and conditions established in applicable law. If Grantee chooses to terminate this Franchise pursuant to this provision, this Franchise shall be deemed to have expired by its terms on the effective date of any such change in law, whether or not such law allows existing franchise agreements to continue until the date of expiration provided in any existing franchise.

15.7 <u>Notices</u>. Unless otherwise provided by federal, State or local law, all notices pursuant to this Franchise shall be in writing and shall be deemed to be sufficiently given upon delivery to a Person at the address set forth below, or by U.S. certified mail, return receipt requested, nationally or internationally recognized courier service such as Federal Express or electronic mail communication to the designated electronic mail address provided below. Grantee shall provide thirty (30) days' written notice of any changes in rates, programming services or Channel positions using any reasonable written means. As set forth above, notice served upon the Grantor shall be delivered or sent to:

15.8 <u>Public Notice</u>. Minimum public notice of any public meeting relating to this Franchise or any such grant of additional franchises, licenses, consents, certificates, authorizations, or exemptions by the Grantor to any other Person(s) to provide Cable Services, video services, or other television services utilizing any system or technology requiring use of the public rights of way shall be by publication at least once in a newspaper of general circulation in the area at least ten (10) days prior to the meeting and a posting at the administrative buildings of the Grantor.

- 15.8.1 Grantor shall provide written notice to Grantee within ten (10) days of Grantor's receipt from any other Person(s) of an application or request for a franchise(s), license(s), consent(s), certificate(s), authorization(s), or exemption(s) to provide Cable Services, video services, or other television services utilizing any system or technology requiring use of the public rights of way. Any public hearings to consider such application or request shall have the same notice requirement as outlined in Paragraph 15.8 above.
- **15.9** Severability. If any section, subsection, sentence, clause, phrase, or portion of this Franchise is, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions of this Franchise.
- **15.10** Entire Agreement. This Franchise and any Exhibits hereto constitute the entire agreement between Grantee and the Grantor and they supersede all prior or contemporaneous agreements, representations or understandings (whether written or oral) of the parties regarding the subject matter hereof.
- **15.11** Administration of Franchise. The Board, or such other person as may be designated and supervised by the Board, is responsible for the continuing administration of the Franchise. This Franchise is a contract and neither party may take any unilateral action that materially changes the explicit mutual promises and covenants contained herein. Any changes, modifications or amendments to this Franchise must be made in writing, signed by the Grantor and the Grantee. Any determination by the Grantor regarding the interpretation or enforcement of this Franchise shall be subject to de novo judicial review.
- 15.12 NYPSC Approval. This Franchise is subject to the approval of the NYPSC. Grantee shall file an application for such approval with the NYPSC within sixty (60) days after the date the Franchise is approved by Grantor and accepted by Grantee. Grantee shall also file any necessary notices with the FCC.
- 15.13 Effective Date. The Franchise granted herein will take effect and be in full force from the date of approval by the NYPSC ("Effective Date"). If any fee or grant that is passed through to Subscribers is required by this Franchise, other than the franchise fee, such fee or grant shall go into effect sixty (60) days after the Effective Date of this Franchise.
- **15.14 No Third Party Beneficiaries**. Nothing in this Franchise is intended to confer third-party beneficiary status on any person other than the parties to this Franchise to enforce the terms of this Franchise.
