RE: Application of Champlain Hudson Power Express, Inc. for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII of the PSL for the Construction, Operation and Maintenance of a High Voltage Direct Current Circuit from the Canadian Border to New York City
Case 10-T-0139

Filing of the Presidential Permit

Dear Secretary Burgess:

As required by the Certificate Condition 11 approved by the Commission in its April 18, 2013 Order Granting Certificate of Environmental Compatibility and Public Need, Champlain Hudson Power Express, Inc. and CHPE Properties, Inc. ("Certificate Holders") respectfully submit a copy of the Presidential Permit ("Permit") issued by United States Department of Energy on October 6, 2014.

The Permit is issued pursuant to Executive Order 10485 and allows the Certificate Holders to construct, operate, connect and maintain the facilities at the international border as described within the Permit.

Respectfully submitted,

William Helmer

*General Counsel for Champlain Hudson
Power Express, Inc. and CHPE Properties, Inc.*
