Department of Public Service

RE: Case 14-M-0101 - Proceeding on Motion of the Commission in  
Regard to Reforming the Energy Vision.

Dear Mr. Weiner:

I have received your letter dated May 29, 2015 on behalf of the New York State Department of Public Service Staff (Department Staff) requesting a further extension of the filing deadline for the Staff Benefit Cost framework, from June 1 to July 1, 2015. The filing schedule for this document was originally established pursuant to Ordering Clause 6 of the Commission's Order Adopting Regulatory Policy Framework and Implementation Plan issued February 26, 2015 in this proceeding (Framework Order). By letter dated April 20, 2015, I granted your request for an extension of that filing date from May 1 to June 1, 2015.

You are requesting an additional extension in order to complete this analysis and continue collaboration with other State agencies.

This is to advise that your request for extension on behalf of the New York State Department of Public Service Staff is granted in order to promote the fair, orderly and efficient conduct of this proceeding. Department Staff is directed to file a proposed Benefit Cost framework by July 1, 2015.

This ruling will be posted on the Department's website.

Sincerely,

Kathleen H. Burgess  
Secretary
