AGREEMENT

1 Parties in Agreement

This Agreement (“Agreement”) made and entered into on the date when signed by the party signing last in time, by and between National Grid USA and affiliated Companies (“National Grid” or “Company”), a corporation in New York, with offices at 300 Erie Blvd. West, Syracuse, NY 13202, and Premier Utility Services, LLC (“Contractor”), a New York corporation having its principal place of business at 100 Marcus Blvd., Suite # 3, Hauppauge, NY 11788.

2 Term

The Agreement shall become effective on 4/1/13 and shall continue in full force and in effect until the completion of the term, to expire on 3/31/15, and the expiration of all guarantees, warranties and indemnities provided for therein.

3 Scope of Work

3.1 The Contractor agrees to perform all the Work and do all that is necessary to perform the Work in accordance with the Agreement including the Contract Documents. The Company does not guarantee the Contractor any level or quantity of Work in this Agreement.

3.2 The Contractor assumes full responsibility for the Work until its acceptance by the Company.

3.3 This Agreement covers the following bid area(s): Upstate NY

3.4 The Company does not guarantee the Contractor any level or quantity of Work pursuant to this Agreement. The Company reserves the right during the Term of the Agreement to award any Leak Survey projects to third parties or to perform any Leak Survey projects utilizing Company crews. The Company will maintain an organization of its own to perform any or all of the Work contemplated under the Agreement and shall have the right to perform any or all of the Work.

4 Contract Documents

The following documents, including all attached schedules, appendices, exhibits, enclosures, plans or other attachments thereto, are incorporated by reference as if fully set forth herein, and are hereinafter referred to collectively and individually as the "Contract Documents" or the "Agreement":
