Re: **Matter Master: 14-02068/Matter Number: 14-02068**
"In The Matter Of Staff's Investigation Into United Water's Accounting Irregularities"
(The "Irregularities Matter")

Dear Secretary Burgess:

Attached to my e-mail transmission of this letter please find my CORRECTED Supplementary Motion and Response to United Water's "UW Written Response To IR TC-2 (PUBLIC)" in the above-identified Matter, which I filed electronically with your office today. The previously-forwarded document transposed digits in two numbers, which I have now corrected in the attached. I would appreciate your replacing the prior uncorrected version with this attached corrected version, if possible, on the Electronic Docket Sheet of the three (3) pending and pre-existing PSC Cases relating to and involving United Water. Those Cases are:

1. **Case 13-W-0246** (*Matter #13-01259*) (Proceeding on Verified Petition of United Water New York Inc. for Implementation of a Long-Term Water Supply Surcharge, And Related Tariff Amendment) (the "Surcharge Case"); and
2. **Case 13-W-0295** (*Matter #13-01437*) (Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of United Water New York Inc. for Water Service) (the "Major Rate Case"; or, simply, "Rate Case"); and
3. **Case 13-W-0303** (*Matter #13-01489*) (Proceeding on Motion of the Commission to Examine United Water New York, Inc.'s Development of a New Long-Term Water Supply Source) (the "Need Case").

Thank you.

Respectfully submitted,

John J. Tormey III, Esq.
