RE: Case 16-F-0546, Heritage Wind LLC Proof of Service of Stipulations Notices

Dear Examiners Moreno, Lecakes and Sherman,

Heritage Wind LLC ("Heritage" or "the Applicant") recently circulated a Notice of Intention to Commence Stipulations Discussions, which was posted to the Siting Board docket in the above proceeding, and electronically served on members of the DMM Party List, on August 10, 2018. The notice was also mailed to landowners in the Town of Barre, and to adjacent landowners in nearby towns who own property abutting proposed host parcels, or who maintain a residence within 2,500 feet of a proposed turbine or substation. Attached please find affidavits of service, electronic and by mail, for those Notices.

Further, during the May 10, 2018 Procedural Conference, Your Honors requested that the Applicant provide an updated Master Stakeholder List identifying Host and Adjacent properties for the proposed Facility. Attached is an updated copy of that list, as of August 2018. A revised version of the Master Stakeholder List will be filed with the Application, based on the Facility layout presented in the Application.

Should Your Honors have questions or require any further information, please feel free to contact our office.

Respectfully submitted,
