Areas above shaded in gray are only available at www.residentsenergy.com. [1] The Residents Energy (RESI) ResiFlex rate is the per unit rate that will apply to the first monthly billing cycle only. Thereafter, RESI's standard variable rates will apply. Rates are only available to new RESI customers enrolling between 3/1/19 and 3/31/19 unless otherwise specified. This is a variable rate product. The rate for the electricity and/or natural gas supplied will fluctuate at RESI's discretion based on numerous factors as explained in the Terms & Conditions. RESI may change the rate without notice and the rate may be higher or lower than the utility's rate in any particular month. There is no cap on the rate. Savings are neither implied nor guaranteed. [2] To take advantage of the "Residents Energy ResiSure Locked Rate" program above, customers must enroll between 3/1/19 and 3/31/19. This promotion is not available to current RESI supply customers unless otherwise specified. As a ResiSure Locked Rate customer, the electricity and/or natural gas supply will be guaranteed to remain at the respective rates above per kWh/therm for the number of initial monthly billing cycles indicated. [3] Per state requirements, all standard electricity supply is matched with renewable (Green) energy certificates. Renewable/(Green) Electricity supply product option is 100% matched with renewable energy certificates and generated from sources like running water, wind, solar and biomass. [4] There are no termination fees applicable to ResiFlex Variable rate plans. However, certain ResiSure fixed rate plans do. In IL, MA, DE and OH, the fixed electricity and/or natural gas supply rates will be guaranteed to remain locked for the rate per kWh/therm mentioned above for the monthly billing cycles indicated. Later, if customer chooses to terminate service prior to the expiration of the initial term, customer will be obligated to pay an early termination fee of \$10.00 for each monthly billing cycle, or portion thereof, remaining in the initial term. For residential customers in IL, the early termination fee shall not exceed \$50 per account. [5] DE historical prices below are the blended average rates across all variable price plans available in a given month. Prices do not reflect offerings of any fixed rate price plans. Historical pricing is not indicative of present or future pricing. Future pricing may be obtained by calling Residents Energy customer care at 888-828-RESI (7374).

A Variable Rate Energy Supply Program*

We are a Retail Energy Provider (REP) supplying electricity and natural gas to homes and small businesses since 2014.

Energy generators produce electricity and natural gas. We procure this energy from the wholesale market and supply it to your local utility, who delivers it to your home over their network of pipes and wires.

No one can predict with certainty whether utility rates will rise or fall throughout the year, so we do not guarantee savings. We strive to deliver a host of options and value in a manner that your local utility may not.

Get a **first month introductory rate** per unit of electricity or natural gas supplied.

PLUS,

- ✓ **\$25 MasterCard** Gift Card** after the first 90 days of active service

THEN,

- ✓ **5% cash-back** every 6-billing cycles**
- ✓ No long-term commitments
- ✓ No up-front fees or deposits

The more you spend on energy supply, the more you earn!

If you are not satisfied, cancel at any time with no termination fees or penalties.

*Residents Energy (RE) "ResiFLEX" is a variable rate product. The rate for the electricity supplied will fluctuate at RE's discretion based on numerous factors as explained in the Terms & Conditions. There is no cap on the rate. RE may change the rate without additional notice and such rate may be higher or lower than the utility's rate in any particular month. There is no guarantee of savings. This offer is only available to customers enrolling with RE for the first time, and only to customers enrolling on or before 6/30/19. This offer does not apply to the distribution portion of your utility bill. **Customer will have the opportunity to earn a \$25 MasterCard Gift Card (GC) after the first 90-days of active RE energy supply service. Customer will also have the opportunity to earn a rebate after each consecutive set of 6 full bill cycles of service. Each rebate will be calculated to equal 5% of what you paid toward RE's electricity supply charges during those 6 bill cycles. (A full bill cycle is 25 days or more). The more you spend on electricity supply, the larger your rebate. To become qualified to receive the GC and rebate, customer will have 60 days to complete a validation process, according to the instructions that will be sent to the customer after 90 days of active service and after each consecutive set of 6 full bill cycles, respectively. The GC and rebates will only be earned and paid if customer's relevant account is active and in good standing when the validation process is complete and the GC or rebate is due. Rebates may be issued in a variety of forms including, but not limited to, checks, stored-value cards, or electronic gift cards. Rebates earned in the form of stored-value cards or electronic gift cards will be issued by an issuing bank, pursuant to a direct relationship between customer and the issuing bank, and are subject to the terms & conditions governing that relationship. This offer is non-transferable, non-negotiable, and not redeemable for cash. RE is licensed to supply electricity and/or natural gas in NY (Eligibility Letter issued on 3/21/2013), NJ (Gas, GSL-0137; Electricity, ESL-0155), PA (Gas, A-2014-2432600; Electricity, A-2014-2433184), IL (Gas, 16-0361; Electricity, 12-0428), MA (Electricity CS-159), DE (Electricity, 15-1739,) and OH (Gas, 15-482G, Electricity, 15-1020E). In NY State, all standard electricity supply is 30% matched with renewable (Green) energy certificates. Residents Energy (RE) “ResiSURE” is a locked rate promotion. To take advantage of this advertised rate, you must enroll on or before 3/31/19. This promotion is not available to current RE electric customers. As an RE ResiSure customer, your electricity supply rate will be guaranteed to remain locked at the per kWh rate set forth above, for the number of initial monthly billing cycles set forth above. There are no termination fees. Your Terms & Conditions describe what will take place upon the expiration of the initial monthly billing cycles. Renewable electricity supply is 100% matched with renewable energy certificates representing the generation of electricity from sources like running water, wind, solar and biomass. **The RE BrightIdea (BI) program offers ongoing tips and strategies for lowering your energy usage and includes free energy-conserving products. Within the first 30-days of your RE service, you can expect a separate BI Welcome Packet to arrive with your first shipment of 4 LED bulbs. Savings calculation is based upon replacement of four 60w incandescent bulbs with four 60w-equivalent LED bulbs used 3 hours/day for their full 9-year life expectancy, and a rate of \$0.1221/kWh for the supply and delivery of electricity. This offer is non-transferable, non-negotiable, and not redeemable for cash. There are no termination fees, but RE service cancellation will result in the termination of your BI service as well. RE is licensed to supply electricity and natural gas in NY (Eligibility Letter issued on 3/21/2013).
