Re: Case 06-M-1078 – Proceeding on Motion of  
the Commission to Audit the Performance of  
Consolidated Edison Company of New  
York, Inc. in Response to Outage  
Emergencies.

Dear Secretary Brillling:

Enclosed for electronic filing is the September 3, 2010 Quarterly Update of the *Master Implementation Plan of Consolidated Edison Company of New York, Inc. for the Final Report – Independent Audit of Consolidated Edison Company Electric Emergency Outage Response Program for the New York State Department of Public Service* (“Implementation Plan”). This quarterly update of the Implementation Plan is filed pursuant to the Commission’s *Order Directing the Submission of an Implementation Plan*, issued January 17, 2008 in the referenced proceeding.

The updates described in this filing include the implementation of a new callout system and the evaluation of the Company’s current vegetation management program by Biocompliance Inc. As of today, only the vegetation management item remains open. This item is on schedule for completion pursuant to the targets established in the Implementation Plan.

Very truly yours,

/s/ Anthony J. Torphy  
Anthony J. Torphy  
Director  
Electric Operations – Emergency Management

Enclosure
