**Subject:** Case 14-E-0270 - RG&E/Ginna - Responses to Motion of AGREE/CEC

TO ALL PARTIES:

A prompt ruling on the motion filed today by AGREE and CEC seeking reconsideration of the schedule in this proceeding is essential given the approaching April 15, 2015, deadline for filing issue statements. Therefore, we are shortening the time for replies to the motion. Any party that wishes to submit a response must do so no later than noon on Wednesday, April 8, 2015.
