RE: Case 15-E-0751 – In the Matter of the Value of Distributed Energy Resources
Case 15-E-0082 – Proceeding on Motion of the Commission as to the Policies, Requirements and Conditions for Implementing a Community Net Metering Program

EXTENSION REQUEST OF THE JOINT UTILITIES IN REGARD TO TARIFF LEAVES FILINGS FOR VALUE OF DISTRIBUTED ENERGY RESOURCES VALUE STACK ELIGIBILITY EXPANSION AND INTERZONAL CREDITING

Dear Secretary Burgess:

Pursuant to the Public Service Commission’s September 12, 2018 Order on Value Stack Eligibility Expansion and Other Matters in the subject proceedings (the “Order”) and Ordering Clause No. 1 therein, each utility is directed to file tariff leaves implementing the expansion of the Value Stack eligibility and availability of interzonal crediting consistent with the requirements within the Order on not less than thirty days’ notice to becomes effective on December 1, 2018.

Ordering Clause No. 3 of the Order grants the Secretary the discretion to extend deadlines in response to a written request for an extension. Central Hudson Gas & Electric Corporation, Consolidated Edison Company of New York, Inc., New York State Electric & Gas Corporation, Niagara Mohawk Power Corporation d/b/a National Grid, Orange and Rockland Utilities, Inc., and Rochester Gas and Electric Corporation (collectively, the “Joint Utilities”) hereby request an extension of the filing date of the aforementioned tariff leaves by each of the Joint Utilities to November 14, 2018 with the effective date of the tariff amendments to remain as December 1, 2018. The tariff changes necessitated by the Order are extensive in that they impact other sections of the tariffs. This modest extension will provide the time needed to ensure that all parts of the tariffs are updated as needed as well as allow for collaboration among the Joint Utilities in the course of finalizing their respective tariff leaves.

October 25, 2018

Janet M. Audunson, P.E., Esq.
Assistant General Counsel
Thank you for your consideration in this matter.

Respectfully submitted on behalf of the Joint Utilities,

/s/ Janet M. Audunson
