

**Attachment 2****Case 16-F-0267 Deer River Wind Farm****Proposed Map Sizes and Scales for Article 10 Application****Preliminary Scoping Statements Comments**

Exhibit	Title	Format	Extents	Acres of Extents	Scale	Size	# of Sheets
3	Study Area						
3	Layout (1001.3(a) requires New York State Department of Transportation or USGS maps (1:24,000 topographic edition)						
3	Towns						
3	School Districts						
3	Fire Districts						
3	Project Location						
4	Zoning Districts						
4	Land Use						
4	Recreation, Scenic, and Conservation areas						
4	Agricultural Districts						
4	Flood Zones						
4	Utility Infrastructure Map						
4	Land Ownership Map						
4	Aerial Photographs and Vegetation Clearing Map						
11	Site Plan for Batch Plant						
11	Site Plan for Laydown Yard						
11	Site Plans for O&M Building, POI Switchyard, and Project Substation						
11	Site Plan for Typical Wind Turbine Assembly Area During Construction						
11	Transmission Line Plan and Profile, Route Plan						
11	Site Plans						
15	Emergency Responder Locations						
18	FAA Lighting Plan						
19	Noise contour map						
21	Slopes						
21	Soil Types						

**Attachment 2**

21	Bedrock Depth						
21	Seismic Activity						
22	Wetland Delineations						
23	Surface Water						
23	Groundwater Aquifers						
23	Drinking Water Wells						
24	Viewshed map- vegetated viewshed (1001.24(b)(1) requires this map be presented on a 1:24,000 scale recent edition topographic base map						
24	Viewshed map – bare earth and any others (1001.24(b)(1) requires this map be presented on a 1:24,000 scale recent edition topographic base map						
25	Public Roads						
26	Microwave Paths						
28	Environmental Justice Areas						

Notes:

1. Sheet sizes: Size A = 8.5"x11", Size B = 11"x17", Size C = 18"x24", Size D2= 22"x34", Size D=24"x36"
