RE: Case 14-M-0101 - Proceeding on Motion of the Commission in Regard to
Reforming the Energy Vision.

Dear Mr. Weiner and Mr. Worden:

I have received your letters dated June 30, 2015, on behalf of the New York State Department of Public Service Staff (Staff) and Market Design and Platform Technology (MDPT) Working Group, respectively. The first request is for an extension of the date for filing the Track Two Staff Straw Proposal from July 1 to July 28, 2015. The second request concerns an extension from July 1 until July 28, 2015 of the filing deadline for the Staff proposed rules governing Commission oversight of Distributed Energy Resource suppliers (DERs). The third request is for an extension of the date for filing the MDPT Working Group report from July 1 until July 13, 2015. The schedule for these documents was originally established pursuant to the Commission's Order Adopting Regulatory Policy Framework and Implementation Plan issued February 26, 2015 (Framework Order).

These extension requests are generally premised on the need to address concerns expressed by parties and members of the public for relief from the potential burdens imposed by the simultaneous issuance of four products in this proceeding on July 1, 2015: the Track Two Staff Straw Proposal, the Benefit Cost Analysis White Paper, the Staff DER Oversight Proposal, as well as the initial report of the Market Design and Platform Technology Working Group.

This is to advise that your request for these three extensions is granted in order to promote the fair, orderly and efficient conduct of this proceeding. Specifically, I establish the following filing deadlines:

- The MDPT Working Group is directed to file its report by July 13, 2015.
- Staff is directed to file a straw proposal or white paper related to Track Two ratemaking and other issues by July 28, 2015.
- Staff is directed to file a proposal for rules governing Commission oversight of Distributed Energy Resource suppliers by July 28, 2015.

This ruling will be posted on the Department's website.

Sincerely,

/S/

Kathleen H. Burgess
Secretary
