Re: Case No. 06-T-0650 – Application of New York
Regional Interconnect, Inc. for a Certificate of
Environmental Compatibility and Public Need
Pursuant to Article VII

Dear Judge Phillips and Judge Stockholm:

The New York State Department of Transportation has no objection to NYRI's withdrawal of its application in the above-referenced matter with the understanding that if another application is filed by NYRI, the case would commence from the beginning.

Very truly yours,
