SUBJECT: CASE 13-E-0041 - Massena Electric Department

FURTHER POSTPONEMENT of tariff filing by Massena Electric Department to add a new Service Classification (SC No. 10) for individual service contracts for customers receiving full service from the Town of Massena Electric Department.

SUMMARY OF

RECOMMENDATION: Staff recommends approval of the further postponement to September 1, 2013.

Discussion

Massena Electric Department (Massena or the Company) made a tariff filing to add a new Service Classification (SC No. 10) for individual service contracts for customers receiving full service from the Town of Massena Electric Department. The proposed filing had an effective date of May 1, 2013 but was subsequently postponed to July 1, 2013. The Company has agreed to further postpone the effective date to September 1, 2013 to allow Staff additional time to complete its review.

On May 13, 2013, the Company filed a supplement to implement the further postponement and requests a waiver of the requirement of newspaper publication of the change proposed by the supplement.

It is recommended that:

1. Massena Electric Department be allowed to put Supplement No. 17 to its tariff schedule P.S.C. No. 2 - Electricity into effect on June 13, 2013; and
2. special permission be granted waiving the requirement of Section §66(12)(b) of the Public Service Law and 16 NYCRR Section 720-8.1 as to newspaper publication of the change proposed by the supplement.
