Re: 16-F-0267 - Application of Atlantic Wind LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 for Construction of a Wind Energy Project in Lewis and Jefferson Counties.

Dear Supervisor Zagurski:

I am writing in reference to a letter that I sent to you dated October 18, 2016, in which you were notified of your responsibility to nominate four candidates to serve as the *ad hoc* public members for the project in the above referenced proceeding.

The letter was incorrectly sent to you. The Town of Lewis is not a host community located within the project area, therefore it is not necessary for you to take any action. I apologize for any confusion this letter may have caused. Should you have any questions, please contact Assistant General Counsel, Andrea Cerbin at andrea.cerbin@dps.ny.gov.

Sincerely,

Kathleen H. Burgess
Secretary
