Re: Case 08-V-0835

Dear Secretary Brilling:

This letter provides the notifications required under Ordering Paragraphs 1 and 2 of the Commission's January 14, 2009 "Order Concerning the Grounding of FiOS Installations." Verizon has chosen to adopt the second alternative discussed in the Order: the implementation of "a minor modification to its installation procedures on a prospective basis (installing a simple grounding block to bypass the grounding path in the ONT)," together with installation of a grounding block on existing FiOS installations to the extent required by the Order.

Respectfully submitted,

A handwritten signature in cursive script that reads "Keefe B. Clemons".

Keefe B. Clemons
