Dear Secretary Brilling:

On April 29, 2011, Long Island Water Corporation filed an application with the Commission for a major rate increase. As part of its filing, LIWC submitted a request to the Records Access Officer that certain exhibits be granted confidential treatment. The letter, however, was sent directly to the Records Access Officer and was not filed with the Secretary's Office. Accordingly, attached, for filing, please find said letter to the Records Access Officer requesting confidential treatment.
