

NEW YORK STATE BOARD ON ELECTRIC
GENERATION SITING AND THE ENVIRONMENT

CASE 13-F-0464 - Application of National Grid for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 for the Repowering of its E.F. Barrett Power Station in the Town of Hempstead, Nassau County.

NOTICE OF AVAILABLE INTERVENOR FUNDS
AND DEADLINE FOR SUBMITTING FUNDING REQUESTS

(Issued March 26, 2014)

TAKE NOTICE that upon submitting the Preliminary Scoping Statement, the Applicant, National Grid, was assessed an intervenor fee of \$200,000 to be used to defray certain expenses to be incurred by municipal and local parties as they participate as intervenors in the pre-application scoping process in this proceeding. At least 50% of the funds must be reserved for potential awards to municipalities.

Eligible municipal and local parties may request funds by filing the requests with the Secretary of the Siting Board and submitting a copy to the Examiners, Administrative Law Judges Julia Smead Bielawski and Michelle L. Phillips (of the Department of Public Service) and Administrative Law Judges Michael S. Caruso and James T. McClymonds (of the Department of Environmental Conservation), and to the other parties to the proceeding. Parties preparing requests for funds are encouraged to submit their requests using the standard format provided for that purpose [["http://www.dps.ny.gov/SitingBoard/"](http://www.dps.ny.gov/SitingBoard/)] on the Siting Board Web site. Requests for funds must be submitted no later than Friday, April 25, 2014 (30 days after the date of issuance of this notice).

A companion ruling being issued in conjunction with this notice may be consulted for more detailed information about the intervenor funding and stipulations processes.
