Subject: Central Hudson/Fortis Merger - Extended deadline for responses to motion - 12M0192 CH

TO ALL PARTIES:

By e-mail May 2, 2013, we established today as the deadline for responses to the motion for evidentiary hearings by Citizens for Local Power and the Consortium in Opposition to the Acquisition.

Subsequently, on the basis of discussion in the Recommended Decision issued May 3, 2013, some parties inferred incorrectly that the motion was thereby decided and that responses no longer would be necessary.

As a result of this misunderstanding, the deadline for responses to the motion is extended, to 5:00 p.m. Wednesday, May 8, 2013.
