Mr. Schroeder: Thank you for bringing this to my attention. The active party list does not have your correct email address and this will be corrected soon. Worse yet, it appears that I did not add you to the active party email distribution list I have been using since the November 7, 2006 active parties list was updated to include your name. That oversight will be corrected as well. The fault here is all mine and I am sorry for any inconvenience. Gerald L. Lynch, ALJ

Subject E-mail Address Correction
.t

Judge Lynch,
Although I have been receiving discovery correspondence, I have heard from two parties during the past week that they had difficulty sending me material electronically. I was just advised that my e-mail address is not listed correctly on the "service list".

In the event that a correction may be necessary, and possible through your office, my correct e-mail address is joe.schroeder@suffolkcountyny.gov

Thank you.

Joe
