RE: Joint Petition of Charter Communications and Time Warner Cable for Approval of a Transfer of Control of Subsidiaries and Franchises, Pro Forma Reorganization, and Certain Financing Arrangements
Case 15-M-0388

Charter's Confidential Filing Pursuant to Provision 19 of the Buildout Settlement Agreement

Dear Ms. Vigars:

Earlier today, Charter Communications Inc., ("Charter" or the "Company") filed the public version of its State and Municipal Permit List (the "Permit List") pursuant to Provision 19 of the Buildout Settlement Agreement.

Pursuant to Public Officers Law ("POL") §§ 87(2), 89(5) and Part 6-1.3 of the Commission's Regulations (16 N.Y.C.R.R. § 6-1.3), Charter requests confidential treatment of the unredacted Permit List (attached hereto), as this list contains detailed information regarding Charter's Buildout Plan, at a granular level, which if publicly disclosed, would cause substantial injury to the competitive position of Charter.

Accordingly, Charter respectfully requests that the attached Permit List be protected from disclosure as it satisfies both the "trade secret" and the "substantial competitive injury" tests under the POL. To protect the confidentiality of this information, the Permit List must be maintained in the Department of Public Service's confidential files and must be provided only to interested members of the Commission and DPS Staff, and not otherwise be disclosed or made available, either through FOIL or otherwise.
