

Apology. As it turned out, someone at the PSC today patiently came to this senior citizen's rescue, took over my computer and solved the issue. Therefore, I apologize to all concerned.

Regarding Case #17-W-0049 and the meeting scheduled in the Town of South Bristol NY at 5 PM on August 29, please let this retired founder of the Water Works, Sewage Treatment Plant, Bristol Harbour Village and Bristol Mountain Ski Area, (although no longer involved) make the following restful green comments.

At age 91, my self-supported national not for profit mission is to continue help kids to be the best they can be as reflected on my website www.YesPa.org

Regarding the 29th?

The principal objectives of the Commissioner are to:

I feel confident that these objectives will be the PSC banner on August 29

- Promote and maintain the highest levels of integrity, impartiality, accountability and leadership across the government sector.
- Improve the capability of the government sector to provide strategic and innovative policy advice, implement the decisions of the Government and meet public expectations.
- Attract and retain a high calibre professional government sector workforce.
- Ensure that government sector recruitment and selection processes comply with the merit principle and adhere to professional standards.
- Foster a public service culture in which customer service, initiative, individual responsibility and the achievement of results, are strongly valued.
- Build public confidence in the government sector.
- Support the Government in achieving positive budget outcomes through strengthening the capability of the government sector workforce.

Sincerely, Fred W. Sarkis - Recipient of many awards for community service
