Thursday, November 27, 2014 (second letter of the day)

Honorable Kathleen H. Burgess, Secretary to the Commission - Office of the Secretary
State Of New York Department of Public Service/New York State Public Service Commission
3 Empire State Plaza (Agency Building 3)
Albany, New York 12223-1350 USA

Re: Attached/Enclosed Thursday, November 27, 2014 Letter To The Commissioners

Dear Honorable Secretary Burgess:

Attached/enclosed please find a copy of my Thursday, November 27, 2014 Letter To The Commissioners regarding the impact of Tuesday's NBC Newscast on the four below-identified United Water Cases and Matters. I would like to file the attached/enclosed Letter To The Commissioners, the same identical document, in all four (4) of the pending and pre-existing PSC Cases and Matters relating to and involving United Water - as follows:

1. **Case 13-W-0246** (*Matter #13-01259*) (Proceeding on Verified Petition of United Water New York Inc. for Implementation of a Long-Term Water Supply Surcharge, And Related Tariff Amendment) (the "Surcharge Case"); and
2. **Case 13-W-0295** (*Matter #13-01437*) (Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of United Water New York Inc. for Water Service) (the "Major Rate Case"; or, simply, "Rate Case"); and
3. **Case 13-W-0303** (*Matter #13-01489*) (Proceeding on Motion of the Commission to Examine United Water New York, Inc.'s Development of a New Long-Term Water Supply Source) (the "Need Case"); and
4. **Matter Master: 14-02068**/Matter Number: 14-02068 (In The Matter Of Staff's Investigation Into United Water's Accounting Irregularities) (the "Irregularities Matter").

My previously-filed Omnibus Motion in the Irregularities Matter seeks consolidation of this Matter with the three (3) pre-existing United Water Cases. The "accounting irregularities" now admitted by United Water in the record of Matter Number 14-02068, establish United Water's disingenuousness and should be deemed to infect United Water's testimony and submissions in the Prior United Water Cases. Accordingly, therefore, I believe it is appropriate to file this same November 27, 2014 Letter To The Commissioners in **Matter Master: 14-02068** (Matter #14-02068), **Case 13-W-0246** (Matter #13-01259), **Case 13-W-0295** (Matter #13-01437), and **Case 13-W-0303** (Matter #13-01489). Thank you.

Respectfully submitted,

John J. Tormey III, Esq.
