Re: CASE 10-E-0285 – Proceeding on Motion of the Commission to Consider Regulatory Policies  
Regarding Smart Grid Systems and Modernization of the Electric Grid.

CASE 09-M-0074 – In the Matter of Advanced Metering Infrastructure

Dear Secretary Brillling:

Pursuant to 16 NYCRR Sections 2.1 and 4.3, Utility Workers Union of America, AFL-CIO, Local 1-2 (“Local 1-2”) and International Brotherhood of Electrical Workers, Local 97 (“Local 97”) request to intervene and appear as active parties in the above-referenced proceedings.

Local 1-2 represents the utility workers employed by Consolidated Edison Company of New York, Inc. who are instrumental in providing electric service to New York City and Westchester County. Local 97 represents the utility workers employed by Niagara Mohawk Power Corporation who are instrumental in providing electric service to communities in upstate New York. Both Locals have a vested interest in providing safe, adequate and reliable electric service to their employers’ customers in the State of New York. Participation by Local 1-2 and Local 97 in this proceeding will likely contribute to the development of a complete record and is otherwise fair and in the public interest.

All future communications pertaining to the above proceeding and the Local 97’s participation therein should be directed to:
