To The Hon. KEVIN J. CASUTTO, and
The Hon. MICHELLE L. PHILLIPS,
Presiding Administrative Law Judges

Over the last few months I have received many phone calls and emails from constituents about the Champlain Hudson Power Express. The vast majority of the constituents have voiced great concern for its implementation. I have read your decision on the 10-T-0139 case and feel the timeline is too short for people to properly voice their concerns over this plan. Likewise, the amount of time given for action was limited due to the Assembly starting back up only a few days ago. The people of my district and this state deserve a more open process and should be given more time to voice their disapproval of the Champlain Hudson Power Express. With this in mind I fully support their request for a 60 day extension of the deadline for public comment.

Thank you for your time and thank you for your consideration.

Sincerely,

James Skoufis
Member of Assembly
