|---------------------|----------------------------|-------------------------------|--|------------------------|
| Mand. | N101 | 98 | Entity Identifier Code 8R Consumer Service Provider (CSP) Customer Identifies the end use customer targeted by this transaction. | M ID 2/3 |
| Must Use | N102 | 93 | Name Customer Name Supplemental text information may be supplied to provide "eyeball" identification of the customer in this transaction. It is not necessary for successful completion of the transaction but may be provided by mutual agreement between trading partners. To comply with ANSI X12 requirements this segment must be sent in an accepted enrollment response because the response must contain service address information. Some Utilities may not provide the actual customer name but will send the literal 'NAME' in this position. | X AN 1/60 |
