Charter Communications. Programming may vary. Channels, Tiers and Packaging subject to change. Services not available in all areas. Charter issued digital receiver or CableCARD required to view programming channels, except for Basic Service viewable with customer owned TV equipped with digital QAM Tuner subject to future service changes when a market transitions to All Digital. Charter issued digital receiver required to view PPV and On Demand programming (where available). HD capable equipment required to view HD programming (where available). All programming may not be available to CableCARD or Digital Terminal Adapter customers. All service levels may contain channels with some R-rated programming, which can be blocked using the Parental Control feature on your on-screen program guide.

In a switched digital market, due to system technology enhancements access to certain digital channels will require a digital receiver, as HDTVs & digital QAM tuners equipped with CableCARDS or TV's equipped with Digital Terminal Adapter's cannot access certain digital channels requiring two-way communication (e.g., PPV & On Demand programming). CableCARD customers with TiVo equipment will also need a Tuning Adapter for access to such digital channels.

SAP - Second Audio Programming (Spanish Language when available) is offered on analog Basic Service & Expanded Service channels. Check your interactive program guide for further details. Channel numbers listed are for either analog cable-ready TV sets or Charter digital receivers. Customers using a QAM tuner TV or other personal QAM tuner device, not connected to a digital receiver, must activate the Auto Program feature, as described in the TV/device's Owner's Manual, to receive some digital services.

The Grantor shall cooperate with the Grantee in granting any permits required, providing such grant and subsequent construction by the Grantee shall not unduly interfere with the use of such Streets. Notwithstanding the above, the Grantee may set off any administrative permit fees or other fees

required by the Grantor related to the Grantee's use of Grantor rights-of-way against the franchise fee payments required under Section 10.1 of this Franchise.

**8.4 System Construction.** All transmission lines, equipment and structures shall be so installed and located as to cause minimum interference with the rights and reasonable convenience of property owners and at all times shall be kept and maintained in a safe, adequate and substantial condition, and in good order and repair. The Grantee shall, at all times, employ ordinary care and use commonly accepted methods and devices for preventing failures and accidents which are likely to cause damage, injuries, or nuisances to the public. Suitable barricades, flags, lights, flares or other devices shall be used at such times and places as are reasonably required for the safety of all members of the public. Any poles or other fixtures placed in any public way by the Grantee shall be placed in such a manner as not to interfere with the usual travel on such public way.

**8.5 Restoration of Public Ways.** Grantee shall, at its own expense, restore any damage or disturbance caused to the public way as a result of its operation, construction, or maintenance of the Cable System to a condition reasonably comparable to the condition of the Streets immediately prior to such damage or disturbance.

**8.6 Tree Trimming.** Grantee or its designee shall have the authority to trim trees on public property at its own expense as may be necessary to protect its wires and facilities.

**8.7 Relocation for the Grantor.** The Grantee shall, upon receipt of reasonable advance written notice, to be not less than ten (10) business days, protect, support, temporarily disconnect, relocate, or remove any property of Grantee when lawfully required by the Grantor pursuant to its police powers. Grantee shall be responsible for any costs associated with these obligations to the same extent all other users of the Grantor rights-of-way are responsible for the costs related to the relocation of their facilities.

**8.8 Relocation for a Third Party.** The Grantee shall, on the request of any Person holding a lawful permit issued by the Grantor, protect, support, raise, lower, temporarily disconnect, relocate in or remove from the Street as necessary any property of the Grantee, provided that the expense of such is paid by any such Person benefiting from the relocation and the Grantee is given reasonable advance written notice to prepare for such changes. The Grantee may require such payment in advance. For purposes of this subsection, "reasonable advance written notice" shall be no less than ten (10) business days in the event of a temporary relocation and no less than one hundred twenty (120) days for a permanent relocation.

**8.9 Reimbursement of Costs.** If funds are available to any Person using the Streets for the purpose of defraying the cost of any of the foregoing, the Grantor shall reimburse the Grantee in the same manner in which other Persons affected by the requirement are reimbursed. If the funds are controlled by another governmental entity, the Grantor shall make application for such funds on behalf of the Grantee.

**8.10 Emergency Use.** Grantee shall comply with 47 U.S.C. 544(g) and all regulations issued pursuant thereto with respect to an Emergency Alert System ("EAS"). If the Grantee provides an EAS, then the Grantor shall permit only appropriately trained and authorized Persons to operate

the EAS equipment and shall take reasonable precautions to prevent any use of the Grantee's Cable System in any manner that results in inappropriate use thereof, or any loss or damage to the Cable System. The Grantor shall hold the Grantee, its employees, officers and assigns harmless from any claims or costs arising out of use of the EAS, including, but not limited to, reasonable attorneys' fees and costs.

## **SECTION 9** **Service and Rates**

**9.1 Phone Service.** The Grantee shall maintain a toll-free telephone number and a phone service operated to receive complaints and requests for repairs or adjustments at any time.

**9.2 Notification of Service Procedures.** The Grantee shall furnish each Subscriber at the time service is installed, written instructions that clearly set forth information concerning the procedures for making inquiries or complaints, including the Grantee's name, address and local telephone number. Grantee shall give the Grantor thirty (30) days prior notice of any rate increases, Channel lineup or other substantive service changes.

**9.3 Rate Regulation.** The rates and charges for Cable Service provided pursuant to this Franchise shall be subject to regulation in accordance with federal law. If and when exercising rate regulation, the Grantor shall abide by the terms and conditions set forth by the FCC. Nothing herein shall be construed to limit the Grantee's ability to offer or provide bulk rate discounts or promotions.

**9.4 Continuity of Service.** It shall be the right of all Subscribers to continue receiving Cable Service insofar as their financial and other obligations to the Grantee are honored, and subject to Grantee's rights under Section 15.2 of this Franchise.

## **SECTION 10** **Franchise Fee**

**10.1 Amount of Fee.** Grantee shall pay to the Grantor an annual franchise fee in an amount equal to zero percent (0%) of the annual Gross Revenue. Franchise fees may be passed through to Subscribers as a line item on Subscriber bills or otherwise as Grantee chooses, consistent with federal law. The amount of franchise fee and the method of calculation shall be equal when compared to the amount or method of calculation of the franchise fee in any other cable franchise or authorization to provide video service granted by Grantor. In the event any other cable franchise or authorization to provide video service provides for a lesser franchise fee than this Franchise, Grantee's obligation to pay a franchise fee under this Section 10.1 shall be reduced by an equivalent amount.

**10.2 Payment of Fee.** Payment of the fee due the Grantor shall be made on an annual basis, within forty-five (45) days of the close of each calendar year. The payment period and the collection of the franchise fees that are to be paid to the Grantor pursuant to the Franchise shall commence sixty (60) days after the Effective Date of the Franchise as set forth in Section 15.13. In the event of a dispute, the Grantor, if it so requests, shall be furnished a statement of said payment, reflecting the Gross Revenues and the applicable charges.

**10.3 Accord and Satisfaction.** No acceptance of any payment by the Grantor shall be construed as a release or as an accord and satisfaction of any claim the Grantor may have for additional sums payable as a franchise fee under this Franchise.

**10.4 Limitation on Recovery.** The period of limitation for recovery of any franchise fee payable hereunder shall be three (3) years from the date on which payment by the Grantee was due.

**10.5** No auditor engaged by the Grantor shall be compensated on a success based formula (e.g., payment based on a percentage of an underpayment, if any).

## **SECTION 11** **Transfer of Franchise**

**11.1 Franchise Transfer.** Grantee shall provide at least sixty days' notice to Grantor prior to completion of a transaction that results in the sale, transfer, or assignment of the Franchise. The Franchise granted hereunder shall not be assigned, other than by operation of law or to an entity controlling, controlled by, or under common control with the Grantee, without the prior consent of the Grantor, such consent not to be unreasonably withheld or delayed. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or Cable System to secure indebtedness. Within thirty (30) days of receiving a request for review covered by this Section, the Grantor shall notify the Grantee in writing of any additional information it reasonably requires to determine the legal, financial and technical qualifications of the transferee. If the Grantor has not taken action on the Grantee's request for transfer within one hundred twenty (120) days after receiving such request, consent by the Grantor shall be deemed given.

## **SECTION 12** **Records**

**12.1 Inspection of Records.** Grantee shall permit any duly authorized representative of the Grantor, upon receipt of advance written notice, to examine during normal business hours and on a non-disruptive basis any and all of Grantee's records pertaining to Grantee's provision of Cable Service in the Franchise Area maintained by Grantee as is reasonably necessary to ensure Grantee's compliance with the material terms of the Franchise. Such notice shall specifically reference the subsection of the Franchise that is under review so that the Grantee may organize the necessary books and records for easy access by the Grantor. The Grantee shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years. The Grantee shall not be required to provide Subscriber information in violation of Section 631 of the Cable Act. The Grantor agrees to treat as confidential any books, records or maps that constitute proprietary or confidential information to the extent Grantee makes the Grantor aware of such confidentiality. If the Grantor believes it must release any such confidential books or records in the course of enforcing this Franchise, or for any other reason, it shall advise Grantee in advance so that Grantee may take appropriate steps to protect its interests. Until otherwise ordered by a court or agency of competent jurisdiction, the Grantor agrees that, to the extent permitted by State and federal law, it shall deny access to any of Grantee's books and records marked confidential, as set forth above, to any Person.

**SECTION 13**  
**Public Education and Government (PEG) Access**

**13.1 PEG Access.** Grantee shall make available channel capacity for non-commercial, video programming for public, educational and governmental ("PEG") access use in accordance with Section 895.4 of the NYPSC regulations and will comply with the minimum standards set forth therein. Such PEG channel capacity may be shared with other localities served by Grantee's cable system, and Grantor hereby authorizes Grantee to transmit PEG access programming authorized herein to such other localities. The tier of service on which such PEG channel(s) may be placed shall be determined by Grantee in accordance with applicable law.

**SECTION 14**  
**Enforcement or Revocation**

**14.1 Notice of Violation.** If the Grantor believes that the Grantee has not complied with the terms of the Franchise, the Grantor shall first informally discuss the matter with Grantee. If these discussions do not lead to resolution of the problem, the Grantor shall notify the Grantee in writing of the exact nature of the alleged noncompliance (the "Violation Notice").

**14.2 Grantee's Right to Cure or Respond.** The Grantee shall have thirty (30) days from receipt of the Violation Notice to (i) respond to the Grantor, contesting the assertion of noncompliance, or (ii) to cure such default, or (iii) if, by the nature of default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the Grantor of the steps being taken and the projected date that they will be completed.

**14.3 Public Hearing.** If the Grantee fails to respond to the Violation Notice received from the Grantor, or if the default is not remedied within the cure period set forth above, the Board shall schedule a public hearing if it intends to continue its investigation into the default. The Grantor shall provide the Grantee at least twenty (20) days prior written notice of such hearing, which specifies the time, place and purpose of such hearing, notice of which shall be published by the Clerk of the Grantor in a newspaper of general circulation within the Grantor in accordance with subsection 15.8 hereof. At the hearing, the Board shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which it shall determine whether or not the Franchise shall be revoked. The public hearing shall be on the record and a written transcript shall be made available to the Grantee within ten (10) business days. The decision of the Board shall be made in writing and shall be delivered to the Grantee. The Grantee may appeal such determination to an appropriate court, which shall have the power to review the decision of the Board *de novo*. The Grantee may continue to operate the Cable System until all legal appeals procedures have been exhausted.

**14.4 Enforcement.** Subject to applicable federal and State law, in the event the Grantor, after the hearing set forth in subsection 14.3 above, determines that the Grantee is in default of any provision of the Franchise, the Grantor may:

- A. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

- B. Commence an action at law for monetary damages or seek other equitable relief; or
- C. In the case of a substantial default of a material provision of the Franchise, seek to revoke the Franchise itself in accordance with subsection 14.5 below.

**14.5 Revocation.**

- A. Prior to revocation or termination of the Franchise, the Grantor shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee, including one or more instances of substantial noncompliance with a material provision of the Franchise. The notice shall set forth the exact nature of the noncompliance. The Grantee shall have sixty (60) days from such notice to either object in writing and to state its reasons for such objection and provide any explanation or to cure the alleged noncompliance. If the Grantor has not received a satisfactory response from Grantee, it may then seek to revoke the Franchise at a public hearing. The Grantee shall be given at least thirty (30) days prior written notice of such public hearing, specifying the time and place of such hearing and stating its intent to revoke the Franchise. The public hearing shall be conducted in accordance with the requirements of Section 14.3 above.
- B. Notwithstanding the above provisions, the Grantee reserves all of its rights under federal law or regulation.
- C. Upon revocation of the Franchise, Grantee may remove the Cable System from the Streets of the Grantor, or abandon the Cable System in place.

**SECTION 15**  
**Miscellaneous Provisions**

**15.1 Compliance with Laws.** Grantor and Grantee shall conform to all applicable state and federal laws and rules regarding cable television as they become effective. Grantee shall also conform with all generally applicable Grantor ordinances, resolutions, rules and regulations heretofore or hereafter adopted or established during the entire term of the Franchise. In the event of a conflict between Grantor ordinances, resolutions, rules or regulations and the provisions of this Franchise, the provisions of this Franchise shall govern.

**15.1.1 Employment Practices.** Grantee will not refuse to hire, nor will it bar or discharge from employment, nor discriminate against any person in compensation or in terms, conditions, or privileges of employment because of age, race, creed, color, national origin, or sex.

**15.2 Force Majeure.** The Grantee shall not be held in default under, or in noncompliance with the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were

caused by circumstances reasonably beyond the ability of the Grantee to anticipate and control. This provision includes, but is not limited to, severe or unusual weather conditions, fire, flood, or other acts of God, strikes, work delays caused by failure of utility providers to service, maintain or monitor their utility poles to which Grantee's Cable System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.

**15.3 Minor Violations.** Furthermore, the parties hereby agree that it is not the Grantor's intention to subject the Grantee to forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Franchise Area, or where strict performance would result in practical difficulties or hardship to the Grantee which outweighs the benefit to be derived by the Grantor and/or Subscribers.

**15.4 Action of Parties.** In any action by the Grantor or the Grantee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.

**15.5 Equal Protection.** If any other provider of cable services or video services (without regard to the technology used to deliver such services) is lawfully authorized by the Grantor or by any other State or federal governmental entity to provide such services using facilities located wholly or partly in the public rights-of-way of the Grantor, the Grantor shall ensure that the terms applicable to such other provider are no more favorable or less burdensome than those applicable to Grantee. If the authorization applicable to such other provider contains franchise fee, PEG, free service, right-of-way, or other terms imposing monetary or regulatory burdens that are more costly or less burdensome than the corresponding obligations imposed upon Grantee, Grantor shall, within thirty (30) days of a written request from Grantee, modify this Franchise to insure that the corresponding obligations applicable to Grantee are no more costly or burdensome than those imposed on the new competing provider. If the Grantor fails to make modifications consistent with this requirement, Grantee agrees not to enforce such corresponding obligations in this Franchise beyond the requirements imposed by the less costly or less burdensome obligations in such competing provider's authorization. As an alternative to the equal protection procedures set forth herein, the Grantee shall have the right and may choose to have this Franchise with the Grantor be deemed expired thirty (30) days after written notice to the Grantor. Nothing in this Franchise shall impair the right of the Grantee to terminate this Franchise and, at Grantee's option, negotiate a renewal or replacement franchise, license, consent, certificate or other authorization with any appropriate government entity. Nothing in this Section 15.5 shall be deemed a waiver of any remedies available to Grantee under federal, state or municipal law, including but not limited to Section 625 of the Cable Act, 47 U.S.C. § 545.

**15.6 Change in Law.** Notwithstanding any other provision in this Franchise, in the event any change to state or federal law occurring during the term of this Franchise eliminates the requirement for any person desiring to provide video service or Cable Service in the Franchise Area to obtain a franchise from the Grantor, then Grantee shall have the right to terminate this Franchise and operate the system under the terms and conditions established in applicable law. If Grantee chooses to terminate this Franchise pursuant to this provision, this Franchise

shall be deemed to have expired by its terms on the effective date of any such change in law, whether or not such law allows existing franchise agreements to continue until the date of expiration provided in any existing franchise.

**15.7 Notices.** Unless otherwise provided by federal, State or local law, all notices pursuant to this Franchise shall be in writing and shall be deemed to be sufficiently given upon delivery to a Person at the address set forth below, or by U.S. certified mail, return receipt requested, nationally or internationally recognized courier service such as Federal Express or electronic mail communication to the designated electronic mail address provided below. Grantee shall provide thirty (30) days' written notice of any changes in rates, programming services or Channel positions using any reasonable written means. As set forth above, notice served upon the Grantor shall be delivered or sent to:

**15.8 Public Notice.** Minimum public notice of any public meeting relating to this Franchise or any such grant of additional franchises, licenses, consents, certificates, authorizations, or exemptions by the Grantor to any other Person(s) to provide Cable Services, video services, or other television services utilizing any system or technology requiring use of the public rights of way shall be by publication at least once in a newspaper of general circulation in the area at least ten (10) days prior to the meeting and a posting at the administrative buildings of the Grantor.

**15.8.1** Grantor shall provide written notice to Grantee within ten (10) days of Grantor's receipt from any other Person(s) of an application or request for a franchise(s), license(s), consent(s), certificate(s), authorization(s), or exemption(s) to provide Cable Services, video services, or other television services utilizing any system or technology requiring use of the public rights of way. Any public hearings to consider such application or request shall have the same notice requirement as outlined in Paragraph 15.8 above.
