Re: Case 15-E-0751 – In the Matter of the Value of Distributed Energy Resources

Dear Secretary Burgess:

Pursuant to the Order Regarding Compensation of Community Distributed Generation Projects, issued by the Public Service Commission on January 18, 2018, in the within matter, Central Hudson Gas & Electric Corporation hereby reports that its 20 MW of Tranche 4 has been filled as of May 15, 2018.

Respectfully submitted,

Diana Barton  
Senior Engineering Technician  
Electric Distribution Planning
