**Case No. 12-M-0476 et. al.**  
**EDI Business/Technical Working Groups**  
**2/20/2015 Meeting**  
**Workpaper – EDI Web Page Proposal**

1. The AskPSC.com site has a Menu Bar Navigation Structure:

The consolidated EDI web site within the AskPSC.com site could be modified to replace the items circled above with the following, each of which would link to a specific EDI web page:

**[EDI HOME] [STANDARDS] [TEST PLANS] [CERTIFICATION STATUS] [WORKING GROUP]**

For example:

Case No. 12-M-0476 et. al.  
EDI Business/Technical Working Groups  
2/20/2015 Meeting  
Workpaper – EDI Web Page Proposal

Or if that menu bar is mandatory, create a new menu bar directly below as follows:

The screenshot shows the AskPSC website with a navigation bar at the top containing 'Services', 'News', and 'Government'. Below this is a blue header with the AskPSC logo and a search bar. A yellow navigation bar contains links for 'RESIDENTIAL', 'BUSINESSES', 'STUDENTS & TEACHERS', and 'SENIORS'. Below this is a blue bar with icons for 'ELECTRICITY', 'TELEPHONE', 'NATURAL GAS', 'WATER', and 'CABLE TV'. The main content area features a sidebar with 'FEATURED PROGRAMS' including 'Your Rights & Consumer Protections', 'Energy Efficiency and Conservation', 'Lifeline Discount Telephone Service', 'How to shop for Utility Services', and 'Power to Choose'. The main content area has a yellow navigation bar with links: '[EDI HOME]', '[STANDARDS]', '[TEST PLANS]', '[CERTIFICATION STATUS]', and '[WORKING GROUP]'. Below this is the 'EDI Working Group' section, which includes a paragraph about the group's mission, a 'New Conference Call Information' section with the number 866-394-2346 and code 7382910295, and two links: 'October 23 Report Preparation' and 'EDI Working Group Contact List'. At the bottom is a table with three columns: 'Date', 'Working Group', and 'Agendas, Minutes, Meeting Materials (PDFs)'. The table has one row with the date 'February 27, 2015' and the group 'Business/Technical'.

Date	Working Group	Agendas, Minutes, Meeting Materials (PDFs)
February 27, 2015	Business/Technical	

[EDI HOME] would be a reconfigured version of the current **98-M-0667: Electronic Data Interchange (EDI) - Business Communications Between ESCOs & Utilities** web page.

The screenshot shows the AskPSC website with a navigation bar at the top containing 'Services', 'News', and 'Government'. Below this is a blue header with the AskPSC logo and a search bar. A yellow navigation bar contains links for 'RESIDENTIAL', 'BUSINESSES', 'STUDENTS & TEACHERS', and 'SENIORS'. Below this is a blue bar with icons for 'ELECTRICITY', 'TELEPHONE', 'NATURAL GAS', 'WATER', and 'CABLE TV'. The main content area is heavily corrupted, showing a large black area with some text and a small icon. The text '2002' and 'supp\_d\_my810ubr\_bp\_v11.doc' are visible. The bottom of the page shows a black bar with the text 'ion - Utility Rate Ready' and '810 Invoice Transac'.

**Case No. 12-M-0476 et. al.**  
**EDI Business/Technical Working Groups**  
**2/20/2015 Meeting**  
**Workpaper – EDI Web Page Proposal**

[CERTIFICATION STATUS] would be a reconfigured version of the current **Electronic Data Interchange (EDI) Proceeding** web page.

The screenshot shows the AskPSC website with the 'CERTIFICATION STATUS' link highlighted in the navigation bar. The page title is 'Electronic Data Interchange (EDI) Proceeding'. Below the title, it says 'Case 98-M-0667' and 'Testing & Certification'. The text describes the requirements for obtaining EDI Phase I Certification and completing Phase II testing. A table titled 'Phase I & II Certified Utilities' lists various utilities and their certification status across different categories.

Phase I & II Certified Utilities	Transactions Certified									
	Core Transactions		Utility Bill Ready		Utility Rate Ready		Single Retailer		820 Remittance v.20

[WORKING GROUP] would be the current Working Group Page.

The screenshot shows the AskPSC website with the 'WORKING GROUP' link highlighted in the navigation bar. The page title is 'EDI Working Group'. Below the title, it says 'The EDI Business Working Group (Business) is charged with developing the EDI business requirements pursuant to the Order in Case Number 12-M-0476. The EDI Technical Working Group (Technical) is charged with developing and/or modifying EDI Transactions, Business Process Documents, Data Dictionaries and Implementation Guides based upon the requirements developed by the Business Working Group. The Technical Working Group will also address related EDI Test Plans.' A section for 'New Conference Call Information' provides a phone number and code. Below this, there is a table with columns for Date, Working Group, and Agendas, Minutes, Meeting Materials (PDFs).

Date	Working Group	Agendas, Minutes, Meeting Materials (PDFs)
February 27, 2015	Business/Technical
