Supplemental Information #5 Relating to Application for Order Approving  
Indirect Transfer of Control of Licenses

By letter dated July 30, 2007, and as supplemented on October 31, 2007, December 5, 2007, January 24, 2008 and March 11, 2008, Entergy Nuclear Operations, Inc., also referred to previously as ENOI, LLC (either company herein, ENO), acting on behalf of itself and Entergy Nuclear Generation Company, Entergy Nuclear FitzPatrick, LLC, Entergy Nuclear Vermont Yankee, LLC, Entergy Nuclear Indian Point 2, LLC, Entergy Nuclear Indian Point 3, LLC, and Entergy Nuclear Palisades, LLC (together, Applicants), requested that the Nuclear Regulatory Commission (NRC) consent to the indirect transfer of control of the above-captioned licenses pursuant to Section 184 of the Atomic Energy Act, as amended (the Act), and 10 CFR 50.80.

A001

The indirect transfer of control results from certain planned restructuring transactions that would involve the creation of a new holding company, new intermediary holding companies and/or changes in the intermediary holding companies for the ownership structure for the corporate entities that hold the NRC licenses for Pilgrim, Indian Point 1, 2, and 3, FitzPatrick, Vermont Yankee, Palisades and Big Rock Point (together, the Facilities), including both the six corporate entities (named among the Applicants above) licensed for their ownership of the Facilities and ENO, which is the entity licensed to operate or maintain the Facilities.

A name for NewCo and a new name for ENO have been selected. Attachment 1 to this letter provides these new names. The names of the other affected licensees also will be changed and aligned with the new names.

Until April 25, 2008, the plans regarding these new names are highly confidential. Thus, ENO requests that Attachment 1 be withheld from public disclosure until 3:00 PM Eastern Standard Time on April 25, 2008, pursuant to 10 CFR 2.390, as described in the Affidavit of Michael R. Kansler, which is also provided. A non-proprietary version of Attachment 1 is also attached.

Within the next few months, ENO will separately submit requests for administrative license amendments to conform the affected NRC licenses to reflect the planned new names.

If NRC requires additional information concerning this license transfer request, please contact John McCann, Director, Nuclear Safety and Licensing, at (914) 272-3370 or [jmccan1@entergy.com](mailto:jmccan1@entergy.com). Service on ENO of comments, hearing requests or intervention petitions, or other pleadings, if applicable, should be made to counsel for ENO, Mr. John E. Matthews at Morgan, Lewis & Bockius, LLP, 1111 Pennsylvania Avenue, NW, Washington, DC 20004 (tel: 202-739-5524; fax: 202-739-3001; e-mail: [jmatthews@morganlewis.com](mailto:jmatthews@morganlewis.com)).

I declare under penalty of perjury that the foregoing is true and correct. Executed on this 22nd day of April, 2008.

Michael R. Kansler  
President & Chief Executive Officer
