New York Residential and Small Commercial Customer Disclosure Statement and Terms of Service

This is an agreement for natural gas service between Oasis Power, LLC *dba* Oasis Energy (Oasis Energy) and you, for the service address or addresses set forth in your Welcome Letter or Natural Gas Service Agreement. Together, this Customer Disclosure Statement ("CDS"), including the terms of service set forth herein, and your Welcome Letter or Natural Gas Service Agreement ("NGSA") collectively describe your agreement with respect to your purchase of natural gas service from Oasis Energy (Agreement). You will be bound by all the provisions of the Agreement, as they may be amended from time to time. Oasis Energy is licensed by the New York State Public Service Commission to offer and supply natural gas services in New York. We set the supply prices and charges that you pay. Your Local Distribution Utility will deliver the natural gas to you. The Public Service Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

Definitions

- Small Commercial Customer – A nonresidential customer that has annual usage of less than 20,000 therms during the most recent consecutive 12 month period.
- Local Distribution Utility (LDU) – A gas or electric corporation owning, operating or managing electric or gas facilities for the purpose of distributing gas or electricity to end users.
- Commodity Charge – Charge for the supply of natural gas.
- Public Service Commission (PSC) – the New York State Public Service Commission.
- Transmission Charge – Charge for moving natural gas from a supply point to the distribution system of a natural gas distribution company.

Right of Rescission - Residential customers have the right to rescind this Agreement within three (3) business days after receipt of the Customer Disclosure Statement and Terms of Service.

All customers have ten business days after enrollment to cancel this Agreement without penalty.

Terms of Service

1. Basic Service Prices.

PRICE PLANS: Customer acknowledges that the price plan selected during enrollment ("Price Plan") is subject to Oasis Energy approval once your meter's service class type is confirmed by your local electric and natural gas distribution utility ("LDU" or "Utility"). Oasis reserves the right to switch your Price Plan to the appropriate plan as specified by the utility. Rates in the new Price Plan may be different than the originally contracted rate. Upon receipt of the new Price Plan's disclosures, you will have the opportunity to rescind as specified later in this document. Your contract rate and Price Plan will be disclosed to you at the time of enrollment and confirmed in your Disclosure Statement. Oasis Energy's Price Plans are described below:

FIXED RATE PRICE PLAN: You will pay the fixed rate *per kilowatt-hour* and/or *per therm*, as applicable to your plan, as specified at the time of enrollment and confirmed in your Disclosure Statement or Energy Sales Agreement. You will be billed at the fixed rate for the number for billing cycles as specified by the term of your Agreement. You may also pay a monthly administrative fee (base fee), the amount of which, if applicable, is disclosed in your Disclosure Statement or Energy Sales Agreement.

100% RENEWABLE ELECTRICITY PLAN (FIXED TERM): For our renewable energy products, Oasis Energy purchases and retires Renewable Energy Certificates ("RECs") to offset 100% of your electricity usage. We guarantee our customer's electricity usage is offset with a direct investment in 100% renewable energy from clean energy sources such as solar, wind, hydro, and/or biomass. Oasis Energy does not own any coal, oil, gas, or nuclear generation facilities. We are not the subsidiary of any company that owns coal, oil, gas or nuclear generation facilities.

100% CARBON OFF-SET GAS PLAN (FIXED TERM): For our carbon off-set natural gas products, Oasis Energy will offset 100% of the estimated amount of carbon dioxide (CO₂) emissions caused by your annual natural gas usage through the use of any approved carbon offset technology including one or more of the following: 1. Purchase and retirement of Renewable Energy Credits ("RECs") from clean sources such as solar, wind, hydro, and/or biomass. 2. Purchase and retirement of Carbon Credits through reputable standards such as The Verified Carbon Standard (VCS), The Gold Standard, The Climate Action Reserve, and/or American Carbon Registry. This ensures that an estimated equivalent of 100% of the carbon emissions caused by your natural gas usage is offset.

GUARANTEED SAVINGS PLAN: Each month of your plan, you will receive a variable price, which is calculated as a percentage discount off of the LDU's base commodity rate for electricity or natural gas supply, as applicable to your plan, in effect as of the date of your invoice. Offered discounts to variable utility rates are based upon estimated utility charges and, following first month

of billing, utility adjustments. You may also pay a monthly administrative fee, the amount of which, if applicable, is disclosed in your EFL or Energy Service Agreement. Savings are guaranteed on an annual basis.

MONTHLY VARIABLE (Month-to-Month): You will pay a monthly variable plan whereby your supply rate may vary monthly according to market conditions. The electricity rate and fees will be based on prices of electricity and capacity in the PJM market in the applicable load zone for your LDU, plus a margin adder in cents per kWh. You will pay a variable natural gas rate based first of the month inside FERC Transco Station 65 Pool Market Index, plus a margin adder in cents per therm. The gas rate will be based on then current market conditions which may include inventory, transportation costs, utility balancing charges, capacity, excess historical usage, risk assessment, and prior period adjustment.

The rate you pay Oasis Energy will include the Commodity Charge but exclude the Transmission Charge. Your price does not include applicable New York sales tax, use tax, local tax or gross receipt taxes imposed by New York State Tax Law. You are responsible for any and all taxes (whether passed through to you on LDU's bill as a separate line item or as part of the price of natural gas, as required by law, rule or regulation) and LDU charges for delivery and distribution services. Except as otherwise provided in this Agreement or as required by law, all taxes of whatsoever kind, nature and description, due and payable with respect to your performance of your obligations under this Agreement, will be paid by you. If you are a tax-exempt entity, you must provide Oasis Energy with the necessary certificates and other documentation to qualify for such status.

2. Billing. Oasis Energy Services are only a portion of your total monthly bill for delivery of natural gas. Your LDU will continue to issue a monthly bill and the bill will include both your Transmission Charge and your Commodity Charge, and any other charges incurred in accordance with this Agreement. Bills will continue to be based on actual or estimated meter readings. Unless otherwise provided herein, your payment terms and late payment penalties will be governed by the terms of the LDU's tariff. Oasis Energy does not pay or arrange for the payment of any outstanding debts owed by you to the LDU or a previous Energy Service Company ("ESCO").

3. Length of Agreement (Term) (No Guarantee of Switch Period). The Term of this Agreement is shown on your CDS. With the exception of a new meter installation or special meter reading date, you will buy your natural gas service for the service addresses set forth in your Welcome Letter or Natural Gas Service Agreement from Oasis Energy on the next regularly scheduled meter reading date available and will continue to do so for the entire Term. Customer acknowledges that Oasis Energy cannot guarantee a switch of Customer's account by a specific date and hereby holds harmless Oasis Energy from any liability for, or arising out of, delays in this process. This Agreement shall remain in effect until you notify Oasis Energy in writing or by phone of your intent to cancel at least 30 days prior to your requested end date and until such time as the LDU completes the termination in accordance with its rules.

4. Penalties, Fees and Exceptions.

Residential customers: You will pay an early termination fee of \$100, if applicable to your plan, if you cancel or terminate this Agreement prior to the end of the Term, unless such early termination fee is waived or otherwise modified in writing by Oasis Energy.

Commercial customers: You will pay an early termination fee of \$300, if applicable to your plan, if you cancel or terminate this Agreement prior to the end of the Term, unless such early termination fee is waived or otherwise modified in writing by Oasis Energy.

Notwithstanding the foregoing, you may cancel this Agreement without being assessed an early termination or cancellation fee if you move to another location and provide a forwarding address and, if required, reasonable evidence that you no longer occupy the service address. You will be responsible for amounts due, up to the switch date, of all outstanding charges incurred prior to cancellation by you. Any early termination fee may automatically be applied to your credit card or bank account depending on the automatic payment arrangements made during enrollment.

If you default in the prompt payment of amounts due under this Agreement, you will be liable for any and all fees or charges, including reasonable attorney fees and court costs, incurred in connection with the collection of delinquent balances. Oasis Energy may use the services of debt collection agencies, consumer reporting agencies, and other remedies as allowed by law to collect any unpaid balances on your account.

You will be assessed a fee of \$30.00 for payments returned for insufficient funds or credit card transaction not processed due to insufficient funds or credit availability by any method of payment including, but not limited to, bank or personal check, automatic payment plan account deduction or credit/debit card.

5. Cancellation Provisions. You may cancel this Agreement without any penalty any time before midnight of the tenth business day after the date of your enrollment. Upon cancellation of the Agreement, Oasis Energy will provide a cancellation number. After such tenth business day, you may cancel this Agreement at any time by calling Oasis Energy at 1-800-324-3046, but you will be required to pay the early termination fee described in Section 4 above. If you request to cancel this Agreement, the cancellation will not take effect until the next actual meter read date following the date Oasis Energy notifies your LDU. You will be responsible for all payments due hereunder until the cancellation of natural gas service is completed. If for any reason Oasis Energy is no longer able to economically continue this Agreement, Oasis Energy may terminate this Agreement at any time with at least fifteen (15) calendar days' notice to you after complying with applicable regulations. This Agreement may be cancelled at the sole discretion of Oasis Energy if you fail to meet any of the terms and conditions of this Agreement or if any of

the information you have provided to Oasis Energy is or becomes untrue. If this Agreement is canceled, expires, or otherwise terminated, you will receive uninterrupted service from the LDU until you designate another provider of natural gas service or service is shut off by the LDU. Only the LDU may shut off your natural gas service.

6. Agreement Expiration/Change in Terms. If at the end of the Term Oasis Energy proposes to change the price or other terms of this Agreement, Oasis Energy will provide notice of such proposed change no less than thirty (30) days prior to your next scheduled meter reading before the proposed change is to become effective. In the event that Oasis Energy does not notify you of any changes to the contract terms or price prior to the expiration date of the Term, the price for natural gas service automatically continues at a Variable market rate.

7. Information Release and Authorization. By accepting this contract I authorize Oasis to obtain information from the utility through the term including, but not limited to, account name, account number, billing address, service address, telephone number, standard offer service type, historical and future natural gas usage, rate classification, meter readings, characteristics of natural gas service, and when charges under this Agreement are included on my Utility bill, billing and payment information from the Utility. I authorize Oasis to release that information to third parties who need to use or be aware of such information in connection with my natural gas generation service, as well as to its affiliates and business partners for marketing purposes. These authorizations shall remain in effect as long as this Agreement (including any renewal) is in effect. I may rescind these authorizations at any time by either calling Oasis at 1-800-324-3046 or providing written notice to Oasis. Oasis reserves the right to reject my enrollment or terminate the Agreement if I rescind these authorizations, if I fail to meet or maintain satisfactory credit standing as determined by Oasis, or if I fail to meet minimum or maximum threshold natural gas consumption levels as determined by Oasis. If I fail to remit payment in a timely fashion, Oasis may report the delinquency to a credit reporting agency.

8. Dispute Procedures. Contact us by any of the means provided at the bottom of these Terms and Conditions with any questions concerning our terms of service or your bill. You may contact the New York Department ESCO hotline at 1-888-697-7728 to file a complaint if you are not satisfied after discussing your questions or concerns with us.

9. Warranties. OASIS ENERGY MAKES NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESSED OR IMPLIED, WITH REGARD TO THE PROVISION OF NATURAL GAS SERVICE AND DISCLAIMS ANY AND ALL WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.

10. Limitation of Liability. You will be deemed to be in exclusive control (and responsible for any damages or injury caused thereby) of the natural gas after receipt at the delivery point or points. OASIS ENERGY WILL NOT BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES (INCLUDING LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES), WHETHER BY STATUTE, IN CONTRACT OR TORT, EVEN IF THE RESULT OF NEGLIGENCE (WHETHER SOLE, JOINT, CONCURRENT, ACTIVE OR PASSIVE). ALL OTHER LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY, AND SUCH DIRECT ACTUAL DAMAGES WILL BE THE SOLE AND EXCLUSIVE REMEDY. YOU HEREBY WAIVE ALL OTHER REMEDIES AT LAW OR IN EQUITY. THERE ARE NO THIRD PARTY BENEFICIARIES TO THIS AGREEMENT. To the extent any damages required to be paid hereunder are liquidated, the parties acknowledge that the damages are not intended and shall not be construed as a penalty, such damages are difficult or impossible to determine, that otherwise obtaining an adequate remedy is inconvenient or impossible, and that the liquidated damages constitute a reasonable approximation of the harm or loss.

11. Mandatory Arbitration. Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise ("Claim"), arising out of or relating to this Agreement or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer rules, as applicable, in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District, or if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver".

12. Class Action Waiver. Any Claim must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any entity or person not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE PARTY TO A CLASS OR

REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.

13. Miscellaneous.

(a) **Customer Protections for Residential Customers.** The services provided by Oasis Energy are governed by the terms and conditions of this document and the NYSPSC's Home Energy Fair Practices Act ("HEFPA"). In the event of non-payment of any charges owed to Oasis Energy, you may be subject to termination of natural gas service and the suspension of distribution service under procedures approved by the Public Service Commission. You may obtain additional information by contacting Oasis Energy at 1-800-324-3046 or the PSC by the means provided at the bottom of these Terms of Service.

(b) If Oasis Energy is rendered unable to perform, in whole or in part, by a Force Majeure event, its performance under this Agreement will be excused for the duration of such event. "Force Majeure" means any act or event that is beyond the reasonable control of Oasis Energy that adversely affects, interrupts, or precludes its performance. In addition, acts of other parties, including without limitation, wholesale suppliers, aggregators, other ESCOs, qualified scheduling entities, LDUs, any governmental authority, and the respective employees and agents of such parties, will also be deemed to be events of Force Majeure.

(c) Energy delivery shall continue to be provided by your LDU. Your natural gas service will be provided in accordance with your existing connection requirements unless you request a change by the LDU and pay for the cost of that change. You may not resell or use any natural gas provided under this Agreement as an auxiliary or supplement to any other source of power. The supply of natural gas under this Agreement will be measured at the delivery point by the LDU providing the delivery service in accordance with the terms of the applicable tariff for natural gas service. Oasis Energy and you will be bound by the measurement from the meters owned, installed, maintained and read by the LDU.

(d) This Agreement will be governed by, interpreted, construed and enforced in accordance with the laws of the State of New York, without regard to principles of conflicts of laws.

(e) A wet or faxed signature on a Natural Gas Service Agreement is an agreement to initiate service and begin enrollment with Oasis Energy. These Terms of Service, along with your Welcome Letter or Natural Gas Service Agreement, constitute the entire agreement between you and Oasis Energy relating to the subject matter hereof and supersede any other agreements, written or oral, between you and Oasis Energy concerning the subject matter of the Agreement.

(f) You may not assign this Agreement or your obligations under this Agreement without Oasis Energy's prior written consent. Oasis Energy may assign this Agreement, together with all rights and obligations hereunder, to (i) Oasis Energy's natural gas supplier, or such supplier's designee, (ii) an affiliate of Oasis Energy or to any other person succeeding to all or substantially all of Oasis Energy's assets, or (iii) in connection with any financing or other financial arrangement.

(g) Any failure by Oasis Energy to enforce any term or condition of your natural gas service or otherwise exercise any right it may have under this Agreement will not be deemed a waiver of any rights to thereafter enforce any or all of the terms or conditions of your service or to exercise rights under this Agreement.

(h) Should any provision of this Agreement for any reason be declared invalid or unenforceable by final and applicable order by a court or any regulatory body having jurisdiction, such decisions shall not affect the validity of the remaining portions, and the remaining portions shall remain in effect as if this Agreement had been agreed to without the invalid portion. If any provision of this Agreement is declared invalid, the remainder of this Agreement will be construed so as to give effect to its original intent and effect as near as possible.

(i) The provisions of this Agreement concerning payment, limitation of liability, waivers, arbitration and waiver of class actions will survive the termination or expiration of this Agreement.

(j) The parties may execute the Agreement in counterparts, each of which is deemed an original and all of which constitute the same instrument.

14. Contact Information. Residential customers and small commercial customers are entitled to receive at no charge and at least once a year, historical billing data from whomever reads their meter for billing purposes. In the event of an after-hours emergency, you can contact Oasis Energy to hear a recorded message containing the emergency contact numbers for your LDU.

Offered discounts to variable utility rates are based upon estimated utility charges and, following first month of billing, utility adjustments. You may also pay a monthly administrative fee, the amount of which, if applicable, is disclosed in your EFL or Energy Service Agreement. Savings are guaranteed on an annual basis.

MONTHLY VARIABLE (Month-to-Month): You will pay a monthly variable plan whereby your supply rate may vary monthly according to market conditions. The electricity rate and fees will be based on prices of electricity and capacity in the PJM market in the applicable load zone for your LDU, plus a margin adder in cents per kWh. You will pay a variable natural gas rate based first of the month inside FERC Transco Station 65 Pool Market Index, plus a margin adder in cents per therm. The gas rate will be based on then current market conditions which may include inventory, transportation costs, utility balancing charges, capacity, excess historical usage, risk assessment, and prior period adjustment.

The rate you pay Oasis Energy will include the Generation Charge but exclude the Transmission Charge. Your price does not include applicable New York sales tax, use tax, local tax or gross receipt taxes imposed by New York State Tax Law. You are responsible for any and all taxes (whether passed through to you on LDU's bill as a separate line item or as part of the price of electricity, as required by law, rule or regulation) and LDU charges for delivery and distribution services. Except as otherwise provided in this Agreement or as required by law, all taxes of whatsoever kind, nature and description, due and payable with respect to your performance of your obligations under this Agreement, will be paid by you. If you are a tax-exempt entity, you must provide Oasis Energy with the necessary certificates and other documentation to qualify for such status.

2. Billing. Oasis Energy Services are only a portion of your total monthly bill for the delivery of electricity. Your LDU will continue to issue a monthly bill and the bill will include both your Transmission Charge and your Generation Charge, and any other charges incurred in accordance with this Agreement. Bills will continue to be based on actual or estimated meter readings. Unless otherwise provided herein, your payment terms and late payment penalties will be governed by the terms of the LDU's tariff. Oasis Energy does not pay or arrange for the payment of any outstanding debts owed by you to the LDU or a previous Energy Service Company ("ESCO").

3. Length of Agreement (Term) (No Guarantee of Switch Period). The Term of this Agreement is shown on your CDS. With the exception of a new meter installation or special meter reading date, you will buy your electric service for the service addresses set forth in your Welcome Letter or Electric Service Agreement from Oasis Energy on the next regularly scheduled meter reading date available and will continue to do so for the entire Term. Customer acknowledges that Oasis Energy cannot guarantee a switch of Customer's account by a specific date and hereby holds harmless Oasis Energy from any liability for, or arising out of, delays in this process. This Agreement shall remain in effect until you notify Oasis Energy in writing or by phone of your intent to cancel at least 30 days prior to your requested end date and until such time as the LDU completes the termination in accordance with its rules.

4. Penalties, Fees and Exceptions.

Residential customers: You will pay an early termination fee of \$100, if applicable to your plan, if you cancel or terminate this Agreement prior to the end of the Term, unless such early termination fee is waived or otherwise modified in writing by Oasis Energy.

Commercial customers: You will pay an early termination fee of \$300, if applicable to your plan, if you cancel or terminate this Agreement prior to the end of the Term, unless such early termination fee is waived or otherwise modified in writing by Oasis Energy.

Notwithstanding the foregoing, you may cancel this Agreement without being assessed an early termination or cancellation fee if you move to another location and provide a forwarding address and, if required, reasonable evidence that you no longer occupy the service address. You will be responsible for amounts due, up to the switch date, of all outstanding charges incurred prior to cancellation by you. Any early termination fee may automatically be applied to your credit card or bank account depending on the automatic payment arrangements made during enrollment.

If you default in the prompt payment of amounts due under this Agreement, you will be liable for any and all fees or charges, including reasonable attorney fees and court costs, incurred in connection with the collection of delinquent balances. Oasis Energy may use the services of debt collection agencies, consumer reporting agencies, and other remedies as allowed by law to collect any unpaid balances on your account.

You will be assessed a fee of \$30.00 for payments returned for insufficient funds or credit card transaction not processed due to insufficient funds or credit availability by any method of payment including, but not limited to, bank or personal check, automatic payment plan account deduction or credit/debit card.

5. Cancellation Provisions. You may cancel this Agreement without any penalty any time before midnight of the tenth business day after the date of your enrollment. Upon cancellation of the Agreement, Oasis Energy will provide a cancellation number. After such tenth business day, you may cancel this Agreement at any time by calling Oasis Energy at 1-800-324-3046, but you will be required to pay the early termination fee described in Section 4 above. You may also cancel this Agreement without penalty if you move to another location and provide a forwarding address and, if required, reasonable evidence that you no longer occupy the service address. If you request to cancel this Agreement, the cancellation will not take effect until the next actual meter read date following the date Oasis Energy notifies your LDU. You will be responsible for all payments due hereunder until the cancellation of electric generation service is completed. If for any reason Oasis Energy is no longer able to economically continue this Agreement, Oasis Energy may terminate this Agreement at any time with at least fifteen (15) calendar days' notice to you after complying with applicable regulations. This Agreement may be cancelled at the sole discretion of Oasis Energy if you fail to meet any of the terms and conditions of this Agreement or if any of the information you have provided to Oasis Energy is or becomes untrue. If this Agreement is canceled, expires, or otherwise terminated, you will receive uninterrupted service from the LDU until you designate another provider of electric generation service or service is shut off by the LDU. Only the LDU may shut off your electric power.

6. Agreement Expiration/Renewal/Change in Terms. If at the end of the Term Oasis Energy proposes to change the price or other terms of this Agreement, Oasis Energy will provide residential customers notice of such proposed change or renewal terms no less than thirty (30) days prior to your next scheduled meter reading before the proposed change is to become effective. In the event that Oasis Energy does not notify you of any changes to the contract terms or price prior to the expiration date of the Term, the price for electricity service automatically continues at a Variable market rate. If Oasis Energy renews the Agreement at the end of the Term, you may terminate the contract without penalty if you object within three (3) business days after receipt of the first billing statement with renewed terms.

7. Information Release and Authorization. By accepting this contract I authorize Oasis to obtain information from the utility through the term including, but not limited to, account name, account number, billing address, service address, telephone number, standard offer service type, historical and future electricity usage, rate classification, meter readings, characteristics of electricity service, and when charges under this Agreement are included on my Utility bill, billing and payment information from the Utility. I authorize Oasis to release that information to third parties who need to use or be aware of such information in connection with my electric generation service, as well as to its affiliates and business partners for marketing purposes. These authorizations shall remain in effect as long as this Agreement (including any renewal) is in effect. I may rescind these authorizations at any time by either calling Oasis at 1-800-324-3046 or providing written notice to Oasis. Oasis reserves the right to reject my enrollment or terminate the Agreement if I rescind these authorizations, if I fail to meet or maintain satisfactory credit standing as determined by Oasis, or if I fail to meet minimum or maximum threshold electricity consumption levels as determined by Oasis, if I fail to remit payment in a timely fashion, Oasis may report the delinquency to a credit reporting agency.

8. Dispute Procedures. Contact us by any of the means provided at the bottom of these Terms and Conditions with any questions concerning our terms of service or your bill. You may contact the New York Department ESCO hotline at 1-888-697-7728 to file a complaint if you are not satisfied after discussing your questions or concerns with us.

9. Warranties. OASIS ENERGY MAKES NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESSED OR IMPLIED, WITH REGARD TO THE PROVISION OF ELECTRIC GENERATION SERVICE AND DISCLAIMS ANY AND ALL WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.

10. Limitation of Liability. You will be deemed to be in exclusive control (and responsible for any damages or injury caused thereby) of the electric power after receipt at the delivery point or points. OASIS ENERGY WILL NOT BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES (INCLUDING LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES), WHETHER BY STATUTE, IN CONTRACT OR TORT, EVEN IF THE RESULT OF NEGLIGENCE (WHETHER SOLE, JOINT, CONCURRENT, ACTIVE OR PASSIVE). ALL OTHER LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY, AND SUCH DIRECT ACTUAL DAMAGES WILL BE THE SOLE AND EXCLUSIVE REMEDY. YOU HEREBY WAIVE ALL OTHER REMEDIES AT LAW OR IN EQUITY. THERE ARE NO THIRD PARTY BENEFICIARIES TO THIS AGREEMENT. To the extent any damages required to be paid hereunder are liquidated, the parties acknowledge that the damages are not intended and shall not be construed as a penalty, such damages are difficult or impossible to determine, that otherwise obtaining an adequate remedy is inconvenient or impossible, and that the liquidated damages constitute a reasonable approximation of the harm or loss.

11. Mandatory Arbitration. Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise ("Claim"), arising out of or relating to this Agreement or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer rules, as applicable, in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District, or if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver".

12. Class Action Waiver. Any Claim must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any entity or person not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.

13. Miscellaneous.

(a) **Customer Protections for Residential Customers.** The services provided by Oasis Energy are governed by the terms and conditions of this document and the NYSPSC's Home Energy Fair Practices Act ("HEFPA"). In the event of non-payment of any charges owed to Oasis Energy, you may be subject to termination of electricity service and the suspension of distribution service under procedures approved by the Public Service Commission. You may obtain additional information by contacting Oasis Energy at 1-800-324-3046 or the PSC by the means provided at the bottom of these Terms of Service.

(b) If Oasis Energy is rendered unable to perform, in whole or in part, by a Force Majeure event, its performance under this Agreement will be excused for the duration of such event. "Force Majeure" means any act or event that is beyond the reasonable control of Oasis Energy that adversely affects, interrupts, or precludes its performance. In addition, acts of other parties, including without limitation, RTOs, aggregators, other ESCOs, qualified scheduling entities, LDUs, any governmental authority, and the respective employees and agents of such parties, will also be deemed to be events of Force Majeure.

(c) Energy delivery shall continue to be provided by your LDU. Your electric service will be provided in accordance with your existing connection requirements unless you request a change by the LDU and pay for the cost of that change. You may not resell or use any electric power provided under this Agreement as an auxiliary or supplement to any other source of power. The supply of electric power under this Agreement will be measured at the delivery point by the LDU providing the delivery service in accordance with the terms of the applicable tariff for electric generation service. Oasis Energy and you will be bound by the measurement from the meters owned, installed, maintained and read by the LDU.

(d) This Agreement will be governed by, interpreted, construed and enforced in accordance with the laws of the State of New York, without regard to principles of conflicts of laws.

(e) A wet or faxed signature on an Electric Service Agreement is an agreement to initiate service and begin enrollment with Oasis Energy. These Terms of Service, along with your Welcome Letter or Electric Service Agreement, constitute the entire agreement between you and Oasis Energy relating to the subject matter hereof and supersede any other agreements, written or oral, between you and Oasis Energy concerning the subject matter of the Agreement.

(f) You may not assign this Agreement or your obligations under this Agreement without Oasis Energy's prior written consent. Upon providing at least thirty (30) calendar days' notice to you and the LDU, Oasis Energy may assign this Agreement, together with all rights and obligations hereunder, to (i) Oasis Energy's electricity supplier, or such supplier's designee, (ii) an affiliate of Oasis Energy or to any other person succeeding to all or substantially all of Oasis Energy's assets, or (iii) in connection with any financing or other financial arrangement.

(g) Any failure by Oasis Energy to enforce any term or condition of your electric generation service or otherwise exercise any right it may have under this Agreement will not be deemed a waiver of any rights to thereafter enforce any or all of the terms or conditions of your service or to exercise rights under this Agreement.

(h) Should any provision of this Agreement for any reason be declared invalid or unenforceable by final and applicable order by a court or any regulatory body having jurisdiction, such decisions shall not affect the validity of the remaining portions, and the remaining portions shall remain in effect as if this Agreement had been agreed to without the invalid portion. If any provision of this Agreement is declared invalid, the remainder of this Agreement will be construed so as to give effect to its original intent and effect as near as possible.

(i) The provisions of this Agreement concerning payment, limitation of liability, waivers, arbitration and waiver of class actions will survive the termination or expiration of this Agreement.

(j) The parties may execute the Agreement in counterparts, each of which is deemed an original and all of which constitute the same instrument.

14. Contact Information. Information regarding Oasis Energy's generation energy sources, energy efficiency, environmental impacts, or historical billing data is available upon request. Residential customers and small commercial customers are entitled to receive at no charge and at least once a year, historical billing data from whomever reads their meter for billing purposes. In the event of an after-hours emergency, you can contact Oasis Energy to hear a recorded message containing the emergency contact numbers for your LDU.
