NOTICE OF COMMENTS SOUGHT CONCERNING PSEG LONG ISLAND'S  
UTILITY 2.0 REVISED LONG RANGE PLAN  
(MATTER 14-01299)

(Issued September 30, 2014)

The New York State Department of Public Service (DPS) seeks input and invites comments on PSEG Long Island's Utility 2.0 Revised Long Range Plan. PSEG Long Island will submit on October 6, 2014, to the DPS a revised plan that reflects DPS Staff's preliminary recommendations and public comments.

In accordance with the Long Island Power Authority (LIPA) Reform Act, PSEG Long Island submitted to the DPS for review and recommendation, its proposed long-range plan on July 1, 2014. In accordance with the LIPA Reform Act, the purpose of the plan is to implement energy efficiency measures, distributed generation, and advanced grid technology programs for the purpose of providing customers with tools to more efficiently and effectively manage their energy usage and utility bills, and improve system reliability and power quality. This is the first annual filing of the plan.

Public input and comments on the original plan and the revised plan are taken into account by the DPS in its review and in the development of its recommendations. The revised plan will be available at: <http://www.dps.ny.gov/longisland/>

PSEG Long Island will be holding a technical conference on Tuesday, October 14, 2014, to describe the revised plan and receive comments on the proposed scope of work, timeline and rate impact from interested stakeholders. The technical conference will take place from 10:00 a.m. to 12:00 noon at Theodore Roosevelt Executive & Legislative Building, 1550 Franklin Avenue, in the Legislative Chamber, in Mineola. DPS staff will be present to provide an overview of the continuing Utility 2.0 review process and to note public input.
