3.8 Franchise Non-Exclusive.

- A. The Franchise granted herein is non-exclusive. The Grantor specifically reserves the right to grant, at any time, additional franchises for a cable television system in accordance with state and federal law. The Grantor agrees that any grant of additional franchises by the Grantor to any other entity to provide cable or video service shall not be on terms and conditions that when taken as a whole are more favorable or less burdensome to the franchisee of any such additional franchise, than those which are set forth herein.

- B. If the Grantor grants a cable television franchise or other right to provide cable service to another person on terms which overall provide greater benefits or impose lesser burdens than provided herein, the Grantee agrees to amend this Franchise (effective upon the grant to said other person) to overall provide such greater benefits or lesser burdens.
- C. In the event Grantor grants to any other Person (being referred to as "Other Person" in the below quoted paragraph) a franchise, consent or other right to occupy or use the Streets, or any part thereof, for the construction, operation or maintenance of all or part of a cable television system or any similar system or technology, the Grantor shall include the following language or language to similar effect into any such franchise, consent or other document and/or promptly pass a resolution, conditioning the use of the Streets or any part thereof by any such Person, as follows:
- "Other Person agrees that it will not move, damage, penetrate, replace or interrupt any portion of the Cable Television System of another franchisee without the prior written consent of such other franchisee. Other Person shall indemnify such other franchisee against any damages or expenses incurred by such other franchisee as a result of any removal, damage, penetration, replacement or interruption of the services of such other franchisee caused by the Other Person."
- D. Notwithstanding any other provision in this Franchise: In the event any change to state or federal law occurring during the term of this Franchise eliminates the requirement for any person desiring to construct, operate or maintain a cable system in the Franchise Area to obtain a franchise from the Grantor for the construction, operation or maintenance of a cable system, then, Grantee shall have the right to terminate this Franchise and operate the system under the terms and conditions established in applicable law. If Grantee chooses to terminate this Franchise pursuant to this provision, this Franchise shall be deemed to have expired by its terms on the effective date of any such change in law, whether or not such law allows existing franchise agreements to continue until the date of expiration provided in any existing franchise. Grantee shall not abandon cable service in any portion of the Franchise Area without Grantor's consent and shall remain subject to all applicable laws and regulations with respect to abandonment of service including those of the NYPSC. Furthermore, in the event any change to state or federal law occurring during the term of this Franchise materially alters the regime of cable franchising applicable to any persons desiring to construct, operate or maintain a cable system in the Franchise Area in a way that reduces the regulatory or economic burdens for such person, then, at Grantee's request, Grantor shall agree with Grantee to amend this Franchise to similarly reduce the regulatory or economic burdens on Grantee. It is the intent of this section that, at Grantee's election, Grantee shall be subject to no more burdensome regulation or provided lesser benefits under this Franchise than any other persons that might

construct, operate or maintain a cable system in the Franchise Area. To the extent any acts pursuant to this section, including Grantee's choice to terminate this Franchise, result in an amendment to the Franchise, any such amendment shall be subject to such approval by the NYPSC as required by law and regulation.

- 3.9 Continuing Administration. The Supervisor of the Town of Bombay is responsible for the continuing administration of the Franchise.

#### SECTION 4. TECHNICAL STANDARDS.

- 4.1 Technical Standards. The Cable System shall be designed, constructed, and operated so as to meet the technical standards promulgated by the FCC relating to Cable Communications Systems contained in part 76 of the FCC's rules and regulations, as may be amended from time to time. The Grantor may, upon written request, witness tests of the Cable System being conducted pursuant to FCC rules and regulations, and the results of those tests shall be made available to the Grantor free of charge within thirty (30) days of completion of the tests if the Grantor requests them in writing.

#### SECTION 5. EAS AND PEG.

Any PEG channel shall be shared with other franchising authorities served by Grantee's cable system. The Grantor shall indemnify, save and hold Grantee harmless from and against any liability resulting from the Grantor's use of the PEG Channels for municipal access.

#### SECTION 6. CONSTRUCTION PROVISIONS.

All of Grantee's plant and equipment (a) shall be installed, located, erected, constructed, reconstructed, replaced, removed, repaired, maintained and operated in accordance with good engineering practices; and (b) shall not endanger or interfere with ordinary use of the rights-of-way or unnecessarily hinder or obstruct pedestrian or vehicular traffic.
- E. Grantee shall at all times employ reasonable care and shall install and maintain in use commonly accepted methods and devices preventing failures and accidents which are likely to cause damage, injury or nuisance to the public.

#### 6.3 Repair of Streets and Property.

- A. Any and all Streets, municipal property, or private property, which are destroyed or damaged by Grantee during the construction, repair, replacement, relocation, operation, maintenance or reconstruction of the Cable System shall be promptly replaced or repaired by Grantee, at its expense, and restored to a serviceable condition as good as that prevailing prior to Grantee's disturbance of, or damage to, the property. If Grantee fails to repair, replace, or otherwise correct a Street or property following reasonable written notice by the Grantor, the Grantor may complete any repair, replacement, restoration or other correction and invoice Grantee for the same.

#### 6.4 Use of Existing Poles.

- A. Poles may be erected by Grantee subject to any generally applicable regulation by Grantor with regard to location, height, type, and any other pertinent aspect. It is the responsibility of Grantee to secure agreements for use of poles or conduits owned by third parties.

- B. Where poles already existing for use in serving the Franchise Area are available for use by Grantee, but it does not make arrangements for such use, the Grantor may require Grantee to use such poles if it determines that the public convenience would be enhanced thereby, and if the Grantee can obtain such use on reasonable terms and conditions and at less cost to Grantee than erecting its own poles. No term or condition shall be reasonable if not consistent with pole attachments rates and conditions established by the FCC and/or NYPSC.

6.5 Undergrounding of Cable.

- A. Cable shall be installed underground where the existing telephone and electrical utilities are already underground. In the event the Grantor reimburses any utility for undergrounding, Grantee shall be similarly reimbursed.

- A. Nothing in this Agreement shall be construed to prevent the Grantor from constructing, maintaining, repairing or relocating sewers; grading, paving, maintaining, repairing, relocating and/or altering any Street; constructing, laying down, repairing, maintaining or relocating any water mains; or constructing, maintaining, relocating, or repairing any sidewalk or other public work.
- B. All such work shall be done, insofar as practicable in such a manner as not to obstruct, injure or prevent the free use and operation of the poles, wires, conduits, conductors, pipes or appurtenances of Grantee.
- C. If any such property of Grantee shall interfere with the construction or relocation, maintenance or repair of any Street or public improvement, whether it be construction, repair, maintenance, removal or relocation of a sewer, public sidewalk, or water main, Street or any other public improvement, at least thirty (30) days written notice shall be given to Grantee by the Grantor and all such poles, wires, conduits or other appliances and facilities shall be removed or replaced by Grantee in such manner as shall be directed by the Grantor so that the same shall not interfere with the said public work of the Grantor, as reasonably determined by the Grantor and such removal or replacement shall be at the expense of Grantee, provided, however, if any other right-of-way user is compensated for such work by the Grantor, then Grantee shall be similarly compensated.

- D. Nothing contained in this Agreement shall relieve any Person from liability arising out of the failure to exercise reasonable care to avoid damaging Grantee's facilities while performing any work connected with grading, regrading, or changing the line of any Street or public place or with the construction or reconstruction of any sewer or water system or with any other work.
- 6.7 Trimming of Trees. - 6.8 System Abandonment. Grantee may not abandon cable service in any portion of the Franchise Area without the consent of Grantor.
- 6.9 Movement of Facilities. In the event it is necessary temporarily to move or remove any of Grantee's wires, cables, poles, or other facilities placed pursuant to this Agreement, in order to lawfully move a large object, vehicle, building or other structure over the Streets of the Franchise Area, upon two (2) weeks written notice by the Grantor to Grantee, Grantee shall move, such of its facilities as may be required to facilitate such movements. The Person requesting the temporary removal shall pay Grantee in advance the costs Grantee incurs in moving its facilities. Grantor shall state in writing the basis for any decision to revoke the Franchise. Any revocation hereunder is subject to appeal by Grantee in a court of competent jurisdiction.

10.2. Removal After Revocation or Termination.

At the termination of the Franchise Term if renewal has been finally denied in accordance with Federal law, or upon revocation of the Franchise, as provided for herein, the Grantor shall have the right to require Grantee to remove, at Grantee's expense, all or any portion of the Cable System from Streets and Public Property within the Franchise Area.
